District News: Superintendent Listening Session—Thursday, February 6. Please join us for our second Superintendent Listening Session of the school year on Thursday, February 6, from 6 to 7:30pm in the Administration Center Board Room (3083 NE 49th Place, Hillsboro 97124). Superintendent Scott will talk about our College & Career Pathways Project as well as the boundary adjustment and budget processes. There will also be ample time provided for Q&A. Spanish translation will be available.

Imagine Hillsboro 2035! The District has been a long-time partner in Hillsboro 2020, our community vision and action plan. The original plan was adopted in 2000 following an extensive public engagement process, and has truly influenced Hillsboro’s evolution over the past 14 years. Expanded after-school programming, the Walters Cultural Arts Center, Shute Park Aquatic Recreation Center, and Hondo Dog Park are just a few of the many success stories that have their genesis in the original Vision Plan. Now, work is under way to create a new community vision—Hillsboro 2035—and the volunteer Task Force would like to hear from students, parents, and other community members about their vision for Hillsboro by the year 2035 and the ideas they have for making that vision a reality. Visit www.hillsboro2035.org to learn more as well as to view and provide interactive feedback; if you prefer, you can take a brief 5-question survey at www.hills2035survey.com or text your ideas to 971-205-1005. For more information or to schedule an in-person presentation, contact City of Hillsboro Project Manager [Chris Hartye](mailto:Chris.Hartye@hillsboro2035.org) (503-681-5233).
