District News: Superintendent Listening Session. Please join us for our second Superintendent Listening Session of the school year on Thursday, February 6, from 6 to 7:30pm in the Administration Center Board Room (3083 NE 49th Place, Hillsboro 97124). Superintendent Scott will talk about our College & Career Pathways Project as well as the boundary adjustment and budget processes. There will also be ample time provided for Q&A. Spanish translation will be available.

Immunization Exclusion Day is February 19. The Oregon Immunization Program wants parents to know that children will not be able to attend school or child care starting February 19 if their records on file show missing immunizations. State law requires that all children in public and private schools, preschools, Head Start, and certified child care facilities have up-to-date documentation on their immunizations, or have a religious or medical exemption. Students with incomplete vaccination records will receive a letter from Washington County Health & Human Services in early February. Parents seeking immunizations for their children should contact their health care provider or WashCo HHS at 503-846-4955. Please visit our [Immunizations and Health](#) webpage for additional information.
