Week of November 18, 2013

District News: American Education Week! November 18-22 is American Education Week—an excellent opportunity to celebrate public education and recognize the professionals who dedicate their lives to ensuring all students learn and achieve. This year, the National Education Association is encouraging people to “[Raise Your Hand for Student Success](#)” and pledge their support for great public schools that prepare students for college and 21st century careers. Please take a moment to thank the teachers, support staff, and administrators who work hard every day to provide Hillsboro students with a quality education!

District Newsletter. Look for the District’s tri-annual newsletter, “A Look Inside Hillsboro Schools,” in this week’s *Argus*, *Oregonian*, and *Beaverton Leader* (zip codes 97123, 97124, 97133 & 97113). The newsletter features articles from each of our schools, as well as district-level stories and submissions from some of our community partners. Hard copies will be delivered to each school and to locations around the community later this week (or can be obtained by request by contacting the [Communications Department](#)). You can also view the [PDF version](#) on our website under [Departments/Communications/Publications](#).

Calendar alerts: No school 11/18—elementary students ONLY—conferences; no school 11/19—all students—conferences.
