Week of October 7, 2013

District News: International Walk to School Day—October 9. This Wednesday, October 9, is [International Walk to School Day](#). Started in 1997 by the Partnership for a Walkable America, the event aims to build awareness around the importance of walkable neighborhoods and promote healthy habits, safety, and a strong sense of community. Thousands of students across America and in more than 40 countries around the world participate in the event each year. To learn more about Hillsboro’s Safe Walk Zones and to see suggested walking path maps, click the Resources tab under [Departments/Transportation](#) on our website.

Upcoming engagement/learning opportunities: *Superintendent Coffee Chat* at the downtown Starbucks (105 E. Main), 10/9, 7:15-8:15am; *Superintendent Listening Session* at the District Administration Center (3083 NE 49th Place), 10/15, 6-7:30pm; *Understanding Common Core State Standards* in the Brown Middle School gym (1505 SW Cornelius Pass Rd.), 10/16, 6-7:30pm—Spanish translation available at all events. **Synergy/ParentVUE Clarification.** Apologies for any confusion caused by last week’s *Hot News* feature on the new Synergy student information system and parent access through ParentVUE. All schools have made the switch to Synergy and will be giving parents login credentials at some point this year, however only middle and high school teachers will be using the system’s grade book to input homework scores and assessment data in 2013-14; elementary teachers will begin using Synergy’s grade book in 2014-15. **Calendar Alerts: early release and no AM/PM kindergarten 10/10**—staff development; **no school, all students 10/11**—licensed non-contract day. **School will be in session Monday, 10/14!**
