Week of September 9, 2013

District News: \$25 Million General Obligation Bond on the November 2013 Ballot. The District has placed a \$25 million general obligation bond on the November 2013 ballot for voter consideration. If approved, bond proceeds would be used to pay for instructional technology, safety enhancements, and facility maintenance projects. The technology and safety expenditures would impact all schools by the end of the five-year implementation plan; the facility maintenance expenditures would likely only impact schools deemed to have the highest priority needs. The bond would be repaid over a period of five years, at an estimated cost of \$0.42/\$1,000 of assessed property value. For more information, including a calculator to estimate your cost, please visit the [2013 Bond Information](#) page on our website.

Calendar Alert. Academic Seminar begins this Wednesday, September 11: Elementary students will begin school at their regular time and be released from school 30 minutes earlier than normal (AM kinders end 15 minutes earlier than normal, PM kinders begin 15 minutes earlier than normal then are released 30 minutes earlier than normal), middle and high school students will begin school 30 minutes later than normal and be released at their regular time. Academic Seminar provides valuable time for staff to collaborate and analyze student data for the improvement of instruction.
