District News: Hillsboro School District Wins Oregon Recycler of the Year Award. Each year, the Association of Oregon Recyclers selects individuals and organizations who have distinguished themselves by their exceptional contributions to recycling and waste prevention efforts in the Northwest to receive *Recycler of the Year* awards. We are very pleased to announce that Hillsboro School District has been selected as the *2013 Recycler of the Year—Organization* award winner! Many thanks to Carol Stroup of Construction Management, Justin Gast at Washington County Solid Waste & Recycling, and all the schools, custodians, and students who have focused on recycling and other environmental enhancements at their buildings. This is a tremendous honor!
