**Week of May 27, 2013**

**District News: Superintendent Listening Session Webinar is Monday, June 3.** Superintendent Mike Scott will host his final listening session of the 2012-13 school year via webinar on Monday, June 3, from noon to 1pm. A link to the webinar, along with additional information and instructions, will be posted to the District website by May 30. People who would like to submit questions to Superintendent Scott before the session are welcome and encouraged to e-mail them to Communications Director Beth Graser at [graserbe@hsd.k12.or.us](mailto:graserbe@hsd.k12.or.us). We will attempt to address all topics of high interest during the webinar; those we cannot get to or that may not be appropriate for the medium will be responded to either individually or in the event's write-up.

**KUIK Presents Kid Fit.** Get up, get out, and get moving! Frustrated by how much your kids sit in front of the TV and play video games? Looking for a fun way to get the whole family outside and active? Then come out to AM 1360 KUIK Radio's [Kid Fit](#) event on Saturday, June 1, 10am-2pm at Century High School (2000 SE Century Blvd.). This free event will feature games, agility, sports and other activities to get kids and their family members moving and having fun. Kids will work with local coaches, PE teachers, and high school athletes to learn about fun fitness and activity ideas. Health and nutrition experts will be on site as well. Bring a bottle of water and wear clothes you can move in—stay as long as you want and have fun!
