District News: Budget Information and Advocacy Training Events. Parents, students, staff and community members who are interested in learning more about the Hillsboro School District’s budget situation, legislative priorities, and how to effectively advocate for change are invited to attend one of two upcoming informational sessions: Wednesday, January 30, 8:30-10:30 a.m. in the Administration Center Board Room; and Monday, February 11, 6:00-7:30 p.m. in the Liberty High School library. The 2013 Legislative Session begins next week, so we want to ensure our patrons have visibility to some of the top issues affecting education and know how to have their voice heard, if they so choose. If you are not able to make it to one of the training events but are still interested in having more information, please visit our [Budget Matters](#) page often as updates will be posted here on an ongoing basis.
