Week of January 21, 2013

District News: School Board Appreciation Month & Upcoming Elections. Each January, thousands of communities across the country formally recognize the members of locally elected, volunteer public school boards for their leadership, advocacy, and dedication to improving student achievement and enhancing the quality of education in their communities. Hillsboro is especially proud to join this effort by formally acknowledging and honoring the seven volunteer members of our Board for their outstanding, thoughtful, and challenging service that benefits our students and the entire community. Four positions on our Board will expire on June 30, 2013, and will therefore be on the May 21, 2013, ballot. The filing window for candidates is February 9-March 21, 2013. If you are considering running for one of the four positions and would like more information about Board service, please join us for an **informational brown-bag lunch meeting Tuesday, January 29, from noon to 1pm** in the Board Room at the Administration Center.

Reminders: Applications are now being accepted for **resident students entering grades 1-12 who wish to transfer** to another school in the District in the 2013-14 school year. Information and forms are available on our website under [Students/Transfer Requests](#).

The **deadline** for turning in **Crystal Apple Award nominations** has been **extended** by one week. Nominations are now due to the Hillsboro Chamber of Commerce by **5pm this Friday, January 25**.
