Week of December 10, 2012

**District News: Nominate an Outstanding Staff Member for a Crystal Apple Award.** Each year, the Hillsboro Chamber of Commerce salutes excellence in education through its [Crystal Apple Awards](#). Recognizing that all staff members contribute to the success of students, awards are given in the categories of licensed, support, and administration. All community patrons, students, parents, and other school employees are invited to nominate any District or private school employee who excels in building the future leaders of tomorrow. The only restrictions are that the employee must be currently employed by the Hillsboro School District or a local private school, and have worked there for at least three years. [Nomination packets](#) are due by 5pm on Friday, January 18, 2013, and must include a letter of nomination and two letters of support, so getting a head start is advisable! Winners will be announced at the Crystal Apple Awards dinner on Thursday, February 28, 2013, at the Tuality Health Education Center. For more information, please contact Shelly Olsen at the Chamber at 503-726-2145 or [shellyo@hillchamber.org](mailto:shellyo@hillchamber.org).

**New Website Launches This Week.** Keep an eye out later this week for our new District website! Our webmaster has been working hard to create a site that more user-friendly, navigable, and has enhanced features. We will likely still have some data migration to take care of even after the site launches, but please feel free to let us know if there's something missing or give us feedback on the site overall!
