Week of November 26, 2012

District News: Superintendent Listening Session Webinar is Thursday. Superintendent Mike Scott will be hosting his first listening session via webinar on Thursday, November 29, from noon to 1pm. A link to the webinar, along with additional information and instructions, will be posted to the District website by Tuesday, November 27. People who would like to submit questions to Superintendent Scott before the session are welcome and encouraged to e-mail them to Communications Director Beth Graser at graserbe@hsd.k12.or.us. We will attempt to address all topics of high interest during the webinar; those we cannot get to or that may not be appropriate for the medium will be responded to either individually or in the event's write-up.

District Newsletter. Please look for the District's tri-annual newsletter, *A Look Inside Hillsboro Schools*, in this week's *Hillsboro Argus* (for subscribers) and *Argus Courier Mail* (for non-subscribers). This 12-page newsletter is produced by the Communications department and is a wealth of information about the District and all our schools, as well as our community partners. A link to the electronic version will be posted on the front page of our website and on the Communications page, along with an archive of past issues.
