### School Goals

Rosedale Elementary strives to increase achievement for all students in the areas of math, language arts, and social-emotional wellness. We do this by providing access to the core curriculum in the general education environment. In addition to providing a safe and supportive learning community and environment, we differentiate for students based on their needs in the context of language, learning differences, and ability levels.

### State Goals

The Oregon Department of Education is partnering with school districts and local communities to ensure a 90% on-time, four year graduation rate by 2027. To progress toward this goal, the state will prioritize efforts to improve attendance, provide a well-rounded education, invest in implementing culturally responsive practices, and promote continuous improvement to close opportunity and achievement gaps for historically and currently underserved students.

### Safe & Welcoming Environment

We recognize the diversity and worth of all students, individuals and groups, and are committed to both educating and providing a safe and inclusive space for everyone, regardless of their race, color, religion, immigration status, or any other basis. We believe that students learn best when they feel safe and valued. Our staff is skilled, caring, and dedicated to fostering each student's academic and personal growth in a supportive and welcoming environment.

### About Our School

#### BULLYING, HARASSMENT, AND SAFETY POLICIES

Our number one priority and goal is to ensure students are safe. To that end, we have a network of adults, systems, structures, protocols, and other supports we leverage to keep our school as safe as possible. To learn more, please visit [www.hsd.k12.or.us/keepingstudentsafe](http://www.hsd.k12.or.us/keepingstudentsafe). Ensuring safety also means that positive, respectful, and responsible behavior is expected at all times. We do not tolerate bullying or harassment. To learn more about the District's definition and response to bullying and/or harassment, please see Board Policies JFCF and JFCF-AR: Hazing, Harassment and Bullying, as well as the Standards of Student Conduct.

#### EXTRACURRICULAR ACTIVITIES

Rosedale Elementary provides many extracurricular opportunities for students. During this school year, we were able to offer Chess club, family library events, Champions, and Science Club. We look forward to more extracurricular opportunities in the 2023-24 school year and beyond.

#### PARENT ENGAGEMENT

Partnership with families is a priority at our school. We strive to involve families in a variety of ways. We hold a welcome back night and virtual family connection times. We also provide a newsletter, school website, and grade level communication to parents. In addition, we host a family celebration evening and offer many opportunities for volunteering.

#### COMMUNITY ENGAGEMENT

Community engagement is critical to creating a positive and supportive learning environment. Following are some of the organizations that partner with our school and some of the programs they provide to benefit our students: SMART Reader program, Intel Volunteer support, Safe Routes to School, and several food and school supply donations.
