School Goals

Witch Hazel Elementary focuses on an inclusive education that offers students an opportunity to share their unique strengths and culture while building a compassionate and curious community of learners. Together we can and will sustain a school culture of high academic expectations for all, create a safe community where individual strengths are honored, and grow global leaders who are college and career ready. We do this by creating equitable classroom experiences and knowing each child by name, strength, and need.

State Goals

The Oregon Department of Education is partnering with school districts and local communities to ensure a 90% on-time, four year graduation rate by 2027. To progress toward this goal, the state will prioritize efforts to improve attendance, provide a well-rounded education, invest in implementing culturally responsive practices, and promote continuous improvement to close opportunity and achievement gaps for historically and currently underserved students.

Safe & Welcoming Environment

We strive to create a safe and welcoming school by knowing each student and their family by name, strength and need, and actively supporting families in accessing community resources. Witch Hazel is fortunate to have a Community Liaison and an on-site Education Liaison, as well as a Wellness Instructor, full-time School Counselor, and Student Success Coach - all of whom work together with your child's classroom team to support access to education and resources. All safety recommendations are followed in accordance with the Oregon Department of Education.

About Our School

BULLYING, HARASSMENT, AND SAFETY POLICIES

We have a full-time counselor who supports whole and small group lessons regarding issues of bullying, harassment and safety; School-wide Morning Meetings to support peer-to-peer relationships as well as broader Social-Emotional Needs; Tech safety lessons taught during Media special; Positive Behavior Interventions and Support; Wellness Center; Trauma-Informed Care approach; full-time Student Success Coach.

EXTRACURRICULAR ACTIVITIES

We are proud of our partnerships with the Alaska Airlines Aviation Day program and the Oregon Museum of Science Industry (OMSI). We also partner with Community Action Head Start for Pre-Kindergarten onsite, as well as Adelante Mujeres for their Chicas Program. We are a certified AVID Elementary and a Dual Language school. We host Dual Language summer school and STEM and Migrant after-school programs. We also offer Champions Child Care on-site. In addition, we offer after-school camps periodically throughout the school year based on student interest.

PARENT ENGAGEMENT

We host evening events for families including celebrations of cultures and academic achievement that highlight our use of AVID strategies school-wide. Events include Family Education to support access to school resources and systems, monthly Celebration Assemblies, and Coffee with the Principal. We also have an active and supportive Parent Group whose meetings are conducted bilingually in Spanish and English. Parent-led activities enrich our community and emphasize family cultures.

COMMUNITY ENGAGEMENT

We offer evening events, including AVID and Title I service information, Wolf Walk, Guest Speakers, and Focused Care & Support Team to help meet the individual and unique needs of each family. Our Community Care Specialist connects families with resources and communicates regularly with parents about community events. Our yearly family survey ensures our community has a voice and can add to our collective efforts in support of students' growth.
