School Goals

In 2022-23, our school focused on academic goals related to math and literacy growth, attendance, developing language acquisition with our emerging bilingual students, and universal positive behavior supports. School-wide initiatives included small group and 1:1 support, attendance initiatives and continuous monitoring, morning meetings and explicit teaching of CASEL competencies for social-emotional learning, and focusing on math and reading best practices in professional learning communities for subsequent implementation in the classroom.

State Goals

The Oregon Department of Education is partnering with school districts and local communities to ensure a 90% on-time, four year graduation rate by 2027. To progress toward this goal, the state will prioritize efforts to improve attendance, provide a well-rounded education, invest in implementing culturally responsive practices, and promote continuous improvement to close opportunity and achievement gaps for historically and currently underserved students.

Safe & Welcoming Environment

Orenco recognizes the diversity and worth of all students, individuals and groups, and is committed to both educating and providing a safe and inclusive space for everyone, regardless of their race, color, religion, language, immigration status, ability, or any other basis. We believe that students learn best when they feel safe and valued. Our staff is skilled, caring, and dedicated to fostering each student's academic and personal growth in a supportive and welcoming environment. We provide parent newsletters, translation services, and have various systems in place to assist students, such as morning meetings & schoolwide counselor lessons.

About Our School

BULLYING, HARASSMENT, AND SAFETY POLICIES

Our number one priority and goal is to ensure students are safe. To that end, we have a network of adults, systems, structures, protocols, and other supports we leverage to keep our school as safe as possible. We are proactive and needs-based with our lessons for students. To learn more, please visit www.hsd.k12.or.us/keepingstudentssafe. Ensuring safety also means that positive, respectful, and responsible behavior is expected at all times. We do not tolerate bullying or harassment. To learn more about the District's definition and response to bullying and/or harassment, please see Board Policies JFCF and JFCF-AR: Hazing, Harassment and Bullying, as well as the Standards of Student Conduct.

COMMUNITY ENGAGEMENT

Orenco Elementary is situated on the ancestral lands of the Tualatin Kalapuya people in the historic Orenco neighborhood of Hillsboro, Oregon. Connecting with our community demonstrates interdependence and prepares students for their future. Examples of partnerships include Canned food drive with the local ELKS, Hillsboro Parks and Recreation department at Orenco Woods Nature Park, Intel volunteers, Band and Choir community performances, artists in residence and arts integration through the Right Brain Initiative, Playworks Recess program, and field trips. We look forward to engaging with new community partners and having visitors share their expertise with our students to broaden their worlds.
