

CHS Booster Meeting Minutes October 9, 2019

Meeting called to order at 7:00 pm

Outdoor School Volunteers

NWRESA is looking for Student Leaders for Outdoor School. This is a great opportunity to earn 2 college credits and dozens of volunteer hours. They are looking for students in 10th to 12th grade and can accept some college students. For more information email ods@nwresd.k12.or.us or call 503-614-1403.

Athletics Report- Mr. Dennis Rice

7:20 pm

Fall sports are wrapping up and Mr. Rice saw improvements across all sports. Updates from Facilities: the new scoreboard is in and awaiting installation. PA system is in the works to be installed. The outdoor concession stand is being used and needs the electrical work completed, for now they are using a generator. Winter sports, basketball, wrestling, and swimming will start November 18th and students can register on Family ID.

Activities Director Report- Mr. Scott Thomas

7:40 pm

Homecoming was a successful week. Over 900 students attended the dance. Club Rush took place with 32 clubs students could sign up for. Looking ahead the leadership team is hoping to plan activities to help change the stigma of mental health. They are looking for a speaker for an all school assembly. CHS is once again partnering with the Salvation Army to assemble Thanksgiving baskets. These baskets are provided to families here in the CHS community. Looking for volunteers to drive the baskets and for item donations, watch for more information in the weekly newsletters. Parent question: Are parents able to volunteer with school dances? YES! Volunteers are always welcome. Parents can help with decorating or monitoring during the dance. Next dance will be the Winter formal.

Principal Report- Martha Guise

7:55 pm

One of the district's goals from the School Improvement Plan is Name, Strength, Need. Information about student's club, sports or other activities will be noted in Synergy (the school information system) and an effort will be made to reach out to students who are not signed up. Studies have shown that students are more successful when they are involved in activities. In October and November students will receive mental health wellness lessons. PSATs will be on October 16th, this year all Sophomores, Juniors and AVID Freshman will take the PSAT at no charge. See the counseling calendar for ACT and SAT dates. CHS, like many other schools, has seen an increase in Vaping issues. Resources on vaping can be found on the district webpage under For Family > Resources. There will an educational night on the dangers of vaping at the HSD office. CHS has 2 full time security guards and they, as well as other staff, are patrolling the bathrooms and school grounds for vaping. The new

security cameras are great, Ms. Guise was able to use the zoom feature to identify and address a situation.

PARENT GROUP UPDATES

8:20 pm

Volunteer Committee- The Boosters are looking for volunteers to help sell gear at sporting events and will post on Facebook and create a sign-up genius.

Let the Boosters know if you have any ideas for future topics.

Meeting adjourned at 8:24 pm
