

# BRING PART OF \$1 MILLION TO YOUR SCHOOL THROUGH THANK AMERICA'S TEACHERS

Through the Thank America's Teachers program, Farmers Insurance will give away \$1 million in educational grants to teachers across the country this year! You can get involved by sending thank you notes to inspirational teachers and voting for teachers proposals at [ThankAmericasTeachers.com](http://ThankAmericasTeachers.com). Teachers can enter to win a \$2,500 or even a \$100,000 educational grant and you can help a local teacher win by voting daily. Here's how it works . . .

## Thank teachers in your life

Whether it is a teacher who taught you to believe in yourself, a teacher who went the extra mile for your kids or a family friend who's a teacher, any one of us can think of a teacher who has made a difference in our life. Show your appreciation by sending a heartfelt thank you note on [ThankAmericasTeachers.com](http://ThankAmericasTeachers.com).

## Teachers submit a proposal

Throughout the year teachers will have three opportunities to submit a proposal to win a \$2,500 grant. In addition, six visionary teachers will each win a \$100,000 educational grant in December through the Dream Big Teacher Challenge. Teachers, get started by submitting your proposal at [ThankAmericasTeachers.com](http://ThankAmericasTeachers.com). The \$2,500 grant can be completed in less than 10 minutes so spread the word!

## Vote for your teachers

Don't forget to vote daily for your teachers' proposals to bring part of \$1 million to a teacher in your life. You can vote for as many teachers as you want on a daily basis. Encourage family and friends to do the same through [ThankAmericasTeachers.com](http://ThankAmericasTeachers.com). Any one of us can think of a teacher who made a difference in our lives, and now we can make a difference in theirs!
