Special Note

The At-A-Glance School and District profiles tell a story about Oregon's schools and districts. The story is harder to tell this year as the COVID-19 pandemic significantly impacted our schools and the data we collect. As a result, statewide assessment and attendance data cannot be compared to prior years and are not shown here. We have included links to our website where you can view the 2020-21 statewide assessment and attendance data and read a detailed description of how these data were impacted. We're thankful for your partnership as we focus on care, connection and the creation of safe, inclusive and supportive learning environments.

School Goals

We strive to promote the success of each student through a consistent focus on school attendance, positive behavior, and equitable supports. We have implemented the Zones of Regulation to assist with behavior needs. To support academic enrichment and intervention, we have the "What I Need" (WIN) block in Language Arts and Math schoolwide. Although more Jackson students passed SBAC than grade-level peers across the state, our students continue to need academic language and vocabulary support. Our plan is to provide language supports in every classroom, including our Math classes.

State Goals

The Oregon Department of Education is partnering with school districts and local communities to ensure a 90% on-time, four year graduation rate by 2025. To progress toward this goal, the state will prioritize efforts to improve attendance, provide a well-rounded education, invest in implementing culturally responsive practices, and promote continuous improvement to close opportunity and achievement gaps for historically and currently underserved students.

Safe & Welcoming Environment

We recognize the diversity and worth of all students, individuals and groups, and are committed to both educating and providing a safe and inclusive space for everyone, regardless of their race, color, religion, immigration status, or any other basis. We believe that students learn best when they feel safe and valued. Our staff is skilled, caring, and dedicated to fostering each student's academic and personal growth in a supportive and welcoming environment.

About Our School

BULLYING, HARASSMENT, AND SAFETY POLICIES

Our number one priority and goal is to ensure students are safe. To that end, we have a network of adults, systems, structures, protocols, and other supports we leverage to keep our school as safe as possible. To learn more, please visit www.hsd.k12.or.us/keepingstudentsafe. Ensuring safety also means that positive, respectful, and responsible behavior is expected at all times. We do not tolerate bullying or harassment. To learn more about the District's definition and response to bullying and/or harassment, please see Board Policies JFCF and JFCF-AR: Hazing, Harassment and Bullying, as well as the Standards of Student Conduct.

EXTRACURRICULAR ACTIVITIES

Jackson has a variety of extracurricular activities for our students. Some of our past clubs have included: LEGO Robotics, school plays, Battle of the Books, Running Club, Student Council, Jackson News Crew, Chess, and after school book clubs such as "Confidence Code for Girls" and "The Playbook."

PARENT ENGAGEMENT

Jackson is fortunate to have a community of parents who support all students at our school. They spend time volunteering in classrooms, running reading groups, and providing monthly in-class lessons for Art Literacy. Support from our parents is essential to the success of our school. Monthly coffee chats and newsletters are provided to families to encourage involvement in the academic experience of their children. Family engagement opportunities provided by the PTA include: Ice Cream Social, Fall Festival, Movie Night, Culture Night, and BINGO Night.

COMMUNITY ENGAGEMENT

Community involvement is at the core of our success at Jackson Elementary. In addition to the tremendous support of our PTA, we partner with a variety of community organizations, such as the Champions after school program, Project Lead The Way (PLTW), Right Brain Initiative, Intel, Junior Achievement, Hillsboro Police Department, and Hillsboro Fire Department.
