### Special Note

The At-A-Glance School and District profiles tell a story about Oregon's schools and districts. The story is harder to tell this year as the COVID-19 pandemic significantly impacted our schools and the data we collect. As a result, statewide assessment and attendance data cannot be compared to prior years and are not shown here. We have included links to our website where you can view the 2020-21 statewide assessment and attendance data and read a detailed description of how these data were impacted. We're thankful for your partnership as we focus on care, connection and the creation of safe, inclusive and supportive learning environments.

### School Goals

Our goal at Tobias is to foster the achievement and growth of every student. For the 2021-22 school year, we are continuing to focus on increasing student achievement in math and writing. This year, our professional development in math will focus on providing students with a solid foundation of mathematical concepts. In writing, we will develop students' skills around creating informational texts that are clear to the reader and well-researched. We will also continue to stress the importance of regular, on-time attendance. Please support your student in having excellent attendance.

### State Goals

The Oregon Department of Education is partnering with school districts and local communities to ensure a 90% on-time, four year graduation rate by 2025. To progress toward this goal, the state will prioritize efforts to improve attendance, provide a well-rounded education, invest in implementing culturally responsive practices, and promote continuous improvement to close opportunity and achievement gaps for historically and currently underserved students.

### Safe & Welcoming Environment

Tobias recognizes the diversity and worth of all students, individuals and groups, and is committed to both educating and providing a safe and inclusive space for everyone, regardless of their race, color, religion, immigration status, or any other basis. We believe that students learn best when they feel safe and valued. Classrooms hold daily morning meetings where staff and students can create strong relationships and practice positive social interactions. Our staff is skilled, caring, and dedicated to fostering each student's academic and personal growth in a supportive and welcoming environment.

### About Our School

#### BULLYING, HARASSMENT, AND SAFETY POLICIES

Our number one priority and goal is to ensure students are safe. To that end, we have a network of adults, systems, structures, protocols, and other supports we leverage to keep our school as safe as possible. To learn more, please visit [www.hsd.k12.or.us/keepingstudentsSAFE](http://www.hsd.k12.or.us/keepingstudentsSAFE). Ensuring safety also means that positive, respectful, and responsible behavior is expected at all times. We do not tolerate bullying or harassment. To learn more about the District's definition and response to bullying and/or harassment, please see Board Policies JFCF and JFCF-AR: Hazing, Harassment and Bullying, as well as the Standards of Student Conduct.

#### EXTRACURRICULAR ACTIVITIES

Tobias has a number of after school clubs, including but not limited to: Running Club, STEM Clubs, Gardening, Band (5th and 6th grades), Battle of the Books, and Chess Club.

#### PARENT ENGAGEMENT

We believe a strong connection between school and home is an important piece of our students' success. We have a monthly Principal Coffee Chat where parents are welcome to attend and discuss topics related to Tobias and the Hillsboro School District. We also send out a monthly newsletter to keep families up-to-date with what is going on at our school. In addition, we strive to engage all of our parents by providing language supports for parents who speak multiple languages. Our PTO raises funds to enrich the academic experience of students and is always looking for new members to join them. If you would like to volunteer at Tobias, please contact the Main Office at 503-844-1310.

#### COMMUNITY ENGAGEMENT

We are fortunate to be part of a community that actively supports student learning. Through partnerships with various community organizations, our students are given access to field trips and other community-based learning opportunities: Tualatin Valley Fire and Rescue, Washington County Sheriff's Department, Junior Achievement, Portland Metro STEM Partnership, Clean Water Services, and Outdoor School. We also partner with Harvest Community Church to help support families in need. We welcome donations of school supplies and snacks throughout the year to provide additional supports for students and families.
