Special Note

The At-A-Glance School and District profiles tell a story about Oregon's schools and districts. The story is harder to tell this year as the COVID-19 pandemic significantly impacted our schools and the data we collect. As a result, statewide assessment and attendance data cannot be compared to prior years and are not shown here. We have included links to our website where you can view the 2020-21 statewide assessment and attendance data and read a detailed description of how these data were impacted. We're thankful for your partnership as we focus on care, connection and the creation of safe, inclusive and supportive learning environments.

School Goals

Witch Hazel Elementary focuses on an inclusive education that offers students an opportunity to share their unique strengths and culture while building a compassionate and curious community of learners. Together we can and will sustain a school culture of high academic expectations for all, create a safe community where individual strengths are honored, and grow global leaders who are college & career ready. We do this by creating equitable classroom experiences knowing each child by name strength and need.

State Goals

The Oregon Department of Education is partnering with school districts and local communities to ensure a 90% on-time, four year graduation rate by 2025. To progress toward this goal, the state will prioritize efforts to improve attendance, provide a well-rounded education, invest in implementing culturally responsive practices, and promote continuous improvement to close opportunity and achievement gaps for historically and currently underserved students.

Safe & Welcoming Environment

We strive to create a safe and welcoming school by knowing each student and their family by name, strength and need; and actively supporting families in accessing community resources. Witch Hazel is fortunate to have a Community Liaison on site as well as a full-time Counselor, part-time Behavior Support Specialist, Student Success Coach, and Wellness Instructor - all of whom work together with your child's classroom team to support access to education and resources. All safety recommendations are followed in accordance with ODE Ready Schools, Safe Learners Resiliency Framework.
