Data not available in 2021-22

#### SCIENCE

Students meeting state grade-level expectations.

### School Goals

Imlay Elementary, a STEAM (Science, Technology, Engineering, Arts and Math) school, is a learning community dedicated to the achievement and growth of every student. We are committed to engaging students in their learning through collaboration and problem-solving in all subject areas. We also focus on language development by integrating language instruction throughout students' academic day. Our staff is dedicated and cares deeply about creating an environment that is safe, welcoming and engaging for all kids. Children are the heart of Imlay!

### State Goals

The Oregon Department of Education is partnering with school districts and local communities to ensure a 90% on-time, four year graduation rate by 2025. To progress toward this goal, the state will prioritize efforts to improve attendance, provide a well-rounded education, invest in implementing culturally responsive practices, and promote continuous improvement to close opportunity and achievement gaps for historically and currently underserved students.

### Safe & Welcoming Environment

We recognize the diversity and worth of all students, individuals and groups, and are committed to both educating and providing a safe and inclusive space for everyone, regardless of their race, color, religion, immigration status, or any other basis. We believe that students learn best when they feel safe and valued. Our staff is skilled, caring, and dedicated to fostering each student's academic and personal growth in a supportive and welcoming environment.

#### About Our School

##### BULLYING, HARASSMENT, AND SAFETY POLICIES

Our number one priority and goal is to ensure students are safe. To that end, we have a network of adults, systems, structures, protocols, and other supports we leverage to keep our school as safe as possible. To learn more, please visit [www.hsd.k12.or.us/keepingstudentsafe](http://www.hsd.k12.or.us/keepingstudentsafe). Ensuring safety also means that positive, respectful, and responsible behavior is expected at all times. We do not tolerate bullying or harassment. To learn more about the District's definition and response to bullying and/or harassment, please see Board Policies JFCF and JFCF-AR: Hazing, Harassment and Bullying, as well as the Standards of Student Conduct.

##### EXTRACURRICULAR ACTIVITIES

Imlay offers a wide variety of extracurricular activities, including Band, Choir, Garden Club, Coding Club, Wellness Class, Walking and Running Club, Yearbook Club, Vex Robotics, Play.Fit.Fun, Battle of The Books, After-School Sports, Take It Apart Club, Engineering Club, Math Club, and much more! All students are encouraged to participate in after-school classes and clubs!

##### PARENT ENGAGEMENT

Parents and families are a vital part of the Imlay community! Our school strives to engage all of our families by providing language supports for those whose second language is English. We welcome parent volunteers to help in classrooms and to assist with after-school clubs. We have an active PTA that supports the Eagle Walk and Roll event in October, along with other social and academic events. The Ice Cream Social, STEAM night, spring Carnival, and our "6th grade Clap Out" are all traditions at Imlay Elementary. Families are invited to attend classroom presentations and school-wide assemblies, and to celebrate with us! Visit our website for more information.

##### COMMUNITY ENGAGEMENT

We partner with local businesses - including technology, landscaping and athletic companies, service organizations, and many more - to provide students with learning opportunities in connection with our community. We hold an annual canned food drive, in which students and our community work together to collect items for families in need. In last year's food drive, community members came together to provide hundreds of meals! If you are interested in partnering with Imlay Elementary, please contact us.
