#### MATHEMATICS

Students meeting state grade-level expectations.

#### SCIENCE

Students meeting state grade-level expectations.

### School Goals

At Ladd Acres, it is our goal to have all students reach their highest academic and social potential. We carefully monitor student growth in the areas of reading and math through the use of timely assessments. We create welcoming and engaging learning environments together with our students. Students learn self-regulation strategies as a part of our social-emotional learning curriculum. We promote the importance of regular attendance so that students can maximize their learning time. We want all of our students to dream big, reach for the stars, and achieve success!

### State Goals

The Oregon Department of Education is partnering with school districts and local communities to ensure a 90% on-time, four year graduation rate by 2025. To progress toward this goal, the state will prioritize efforts to improve attendance, provide a well-rounded education, invest in implementing culturally responsive practices, and promote continuous improvement to close opportunity and achievement gaps for historically and currently underserved students.

### Safe & Welcoming Environment

We recognize the diversity and worth of all students, individuals and groups, and are committed to both educating and providing a safe and inclusive space for everyone. We believe that students learn best when they feel safe and valued. Our staff is skilled, caring, and dedicated to fostering each student's academic and personal growth in a supportive and welcoming environment.

### About Our School

#### BULLYING, HARASSMENT, AND SAFETY POLICIES

Our number one priority and goal is to ensure students are safe. To that end, we have a network of adults, systems, structures, protocols, and other supports we leverage to keep our school as safe as possible. To learn more, please visit [www.hsd.k12.or.us/keepingstudentsafe](http://www.hsd.k12.or.us/keepingstudentsafe). Ensuring safety also means that positive, respectful, and responsible behavior is expected at all times. We do not tolerate bullying or harassment. To learn more about the District's definition and response to bullying and/or harassment, please see Board Policies JFCF and JFCF-AR: Hazing, Harassment and Bullying, as well as the Standards of Student Conduct.

#### EXTRACURRICULAR ACTIVITIES

This year we are planning a full menu of after-school activities. Please check our newsletter and website for details.

#### PARENT ENGAGEMENT

Parent engagement is encouraged and embraced at Ladd Acres. Our PTA serves the school in a variety of ways, including providing funding to support technology, arts, physical activity and evening family events. Monthly PTA meetings provide families with an opportunity for input and communication. Community events are another way for parents and families to connect with each other and the school staff.

#### COMMUNITY ENGAGEMENT

At Ladd Acres, we offer the following engagement events and provide all stakeholders with the opportunity for input and partnership: Good Neighbor Project partnership; Century HS STARS program (high school students provide curriculum to elementary school students); local business partnerships for class visits and career festival; Intel support; Elks - holiday supports for families; Red Tricycle Brigade fundraiser; College and Career Day; Fun Run in the fall; Golden Roads Arts; and family events such as Movie Night, Carnival, and STEAM Night.
