School Goals

"Developing compassionate global scholars who persevere and achieve at high levels." Eastwood provides a safe and caring environment where students learn social emotional strategies, self-regulation and problem-solving skills to help them access their learning. We meet the needs of all students through differentiation so students can receive instruction at their level - specifically in reading and math. We utilize professional learning communities to inform our instruction and develop appropriate intervention and enrichment experiences.

State Goals

The Oregon Department of Education is partnering with school districts and local communities to ensure a 90% on-time, four year graduation rate by 2027. To progress toward this goal, the state will prioritize efforts to improve attendance, provide a well-rounded education, invest in implementing culturally responsive practices, and promote continuous improvement to close opportunity and achievement gaps for historically and currently underserved students.

Safe & Welcoming Environment

We recognize the diversity and worth of all students, individuals and groups, and are committed to both educating and providing a safe and inclusive space for everyone, regardless of their race, color, religion, immigration status, or any other basis. We believe that students learn best when they feel safe and valued. Our staff is skilled, caring, and dedicated to fostering each student's academic and personal growth in a supportive and welcoming environment. We are actively seeking student and parent voices to share what is needed to better support our community.

About Our School

BULLYING, HARASSMENT, AND SAFETY POLICIES

Our number one priority and goal is to ensure students feel safe. To that end, we have a network of adults, systems, structures, protocols, and other supports we leverage to keep our school as safe as possible. To learn more, please visit www.hsd.k12.or.us/keepingstudentsafe. Ensuring safety also means that positive, respectful, and responsible behavior is expected at all times. We do not tolerate bullying or harassment. To learn more about the District's definition and response to bullying and/or harassment, please see Board Policies JFCF and JFCF-AR: Hazing, Harassment and Bullying, as well as the Standards of Student Conduct.

EXTRACURRICULAR ACTIVITIES

Eastwood provides a variety of extracurricular activities to support our students: 5th and 6th Grade Band, Choir and Drama Club, Chess Club, Chicas Club, Afterschool homework Club, Soccer Club, STEAM Club, and Equity Student Leadership, track, Baile folklórico, calligraphy.

PARENT ENGAGEMENT

Parent engagement is a priority at Eastwood. We believe that all families should have a voice in our school and partner with us. We have dedicated parent groups - PAC (Parent Advisory Committee) and PTA (Parent Teacher Association) - that work together to support our students. Some of the opportunities we have for parents to engage in the school are: Parent/Teacher Conferences; parent newsletter, website and social media; monthly Coffee with the Principal; PTA and PAC monthly meetings; family evening events sponsored by our parent groups; Night at The Museum Celebration; Celebration of Learning Nights; and volunteerism.

COMMUNITY ENGAGEMENT

Eastwood partners with a variety of businesses and community organizations to support the needs of our families and students. With community support, we are able to provide these programs: Weekly Food Pantry Program; school supply donations from various businesses and parents; on-site counseling with Life Stance; clothing drive; snack donation; and partnership with Just Create Community, LLC for Community Greeters Program and supports for evening events. We will also create a Beautification Committee that is centered around the building and upkeep of our garden, as well as upkeep activities around the school.
