School Goals

At Mooberry, we believe in the importance of knowing and valuing our students for their strengths, while simultaneously providing access and empowering students to tackle growth opportunities now and in the future. To that end, we will continue to focus on core instruction, language scaffolds, social-emotional learning, and family engagement. We proudly offer Dual Language, Advancement Via Individual Determination (AVID), and a trauma-informed approach to best support our students in this endeavor.

State Goals

The Oregon Department of Education is partnering with school districts and local communities to ensure a 90% on-time, four year graduation rate by 2027. To progress toward this goal, the state will prioritize efforts to improve attendance, provide a well-rounded education, invest in implementing culturally responsive practices, and promote continuous improvement to close opportunity and achievement gaps for historically and currently underserved students.

Safe & Welcoming Environment

We know that students learn best when they feel validation, safety, and a sense of belonging. Our skilled and caring staff are dedicated to fostering each student's academic and personal growth in a supportive and welcoming environment. We recognize the diversity, worth, and assets of all students, individuals, and groups, and we are committed to both educating and providing a safe and inclusive space for everyone, regardless of their race/ethnicity, national origin, religion, sexual orientation, gender identity, or any other basis.

About Our School

BULLYING, HARASSMENT, AND SAFETY POLICIES

Our top priority at Mooberry is the safety of our students. With that in mind, we have a network of staff, systems, structures, protocols, and other supports we leverage to keep our school as safe as possible. Ensuring safety also means that positive, respectful, and responsible behavior is expected at all times. We do not tolerate bullying or harassment. To learn more about HSD's definition and response to bullying and/or harassment, please see Board Policies JFCF and JFCF-AR: Hazing, Harassment, and Bullying, as well as the Standards of Student Conduct.

EXTRACURRICULAR ACTIVITIES

Mooberry offers several opportunities for students to participate in extracurricular activities. Club offerings include Adelante Chicas, ballet folklórico, Coding, Garden, Get on the Bus Soccer, Girls on the Run, Oregon Battle of the Books, Student Council, Theater, Volleyball, Young Artists, and more. Clubs are offered on a seasonal basis (fall, winter, and/or spring) from October through May, on Tuesdays and Thursdays after school.

PARENT ENGAGEMENT

Mooberry has an amazing community of families that support our students and the programs we offer. Our goal is to develop stronger partnerships with families to increase their engagement in the school system, develop trust, and collectively improve student achievement. Families are welcome to join our Parent Advisory Committee (PAC) or our Parent Teacher Organization, known as the Mooberry Community Corral (MCC). We also have two Family Outreach Liaisons who make connections with families and provide direct assistance and/or outside referrals. We are always available to listen to the ideas, questions, and concerns of our families, as we are here to serve and partner with them to best support our students.

COMMUNITY ENGAGEMENT

Mooberry is fortunate to have longstanding relationships with community partners who provide everything from basic necessities to enrichment opportunities for students and families. The Young Artists Club provides fun and engaging opportunities for students to enjoy, resources to use at home, and an annual event aimed at bringing our community together. Start Making A Reader Today (SMART) provides opportunities for younger students to work with volunteer readers and receive free books to read at home. Additionally, volunteers from Hillsboro Nazarene Church support our work and provide assistance to families in need; they also donate many of the items that stock our food pantry.
