Hillsboro Students Fare Well at 11th Annual Beaverton-Hillsboro Science Expo

Century student Ryann Fadden won one of four Best of Fair awards and will attend the Intel International Fair in May

February 27, 2014, Hillsboro, OR – Hillsboro students had an outstanding showing at the 11th Annual Beaverton-Hillsboro Science Expo, held Friday, February 21, at the Capital Center.

Participation and performance in science research is active at all Hillsboro schools and resulting in great success at the high school level. Three of our four high schools were represented at the Expo this year, and all three will send student researchers to the state science fair, the Intel Northwest Science Expo (NWSE), April 4 at Portland State University. In addition, Ryann Fadden of Century High School won one of four Best of Fair awards and will attend the Intel International Science and Engineering Fair (Intel ISEF) in Los Angeles May 11-16, 2014, supported by a grant from Intel.

Congratulations to all of our student researchers and the teachers who support them.
