

HIGH SCHOOL SCHOLARSHIP APPLICATION 2020

Two \$500.00 Scholarships will be presented on “Awards Night” to seniors of the Oakes High School graduating class who are entering a college or university majoring in the medical field. Selection criteria will be based upon work experience, volunteer experience, demonstrated passion for caring and why the candidates are choosing a career in the medical field.

Please include a copy of your high school transcript along with this application.

The Award will be sent to the recipient’s university upon entering the second semester at the college or university they are attending. Scholarship winners will be asked to provide the Society with a photo for publication if chosen.

Please return this completed application to High School Guidance Counselor by Monday, **May 1, 2020**
