Dear Parents of Boys in Grades K-5:

Cub Scouting is fun with a purpose. At SRES Pack 747, we launch rockets, build race cars, decorate cakes, go camping, attend sporting events, earn badges, play games, sing songs, and perform community service projects. We welcome everyone to join our pack, and we encourage siblings and family members to participate in all pack activities.

As a multi-grade program, Cub Scouts provides a wonderful opportunity for our boys, siblings and parents to create special bonds within their families and within the SRES community, to strengthen existing friendships, and to build new friendships. Cub Scouts helps build self-confidence and also teaches teamwork and good sportsmanship. Our Cubs learn valuable skills and develop character traits and values that will benefit them throughout their lives.

I hope your son will join Cub Scout Pack 747 this school year. Our first pack meeting will be held on Thursday, August 22, from 5:45 to 7:00 p.m. in the Fortune Room. We have a great program planned and will create a lot of positive memories as we have fun with a purpose.

An FAQ about our pack can be found on the opposite side of this letter. If you ever have any questions about the pack, please feel free to contact me at 317-916-2172 or at [steven.pockrass@oglestreedeakins.com](mailto:steven.pockrass@oglestreedeakins.com).

Yours in Cub Scouting,

Steve Pockrass  
Cubmaster
