

## NRCCS 2020-2025 Strategic Goals Update 1/8/2024

### Strategic Goals:

#### 1) Enrollment

- a. Objective: Maintain and increase enrollment of North Routt Families
  - i. The recruitment committee will own this one
  - ii. Goal is 100 kids and approximately 12 kids per class (this can vary with situation)
  - iii. Need to recruit from SSSD as we feel the North Routt families is probably maxed out.
- b. Objective: Ensure policies drive, not impede enrollment growth
  - i. Board to look at enrollment policy each year and make sure it is still accurate.
- c. Objective: Merge with North Routt Preschool to provide early childhood education for the greater North Routt Campus - Completed
- d. Objective: Design and build a NRCCS Community Center/Gymnasium and community classroom to support needs of the school and community - Completed

#### 2) Development and Community < Separated into the Financial responsibility (owned by the board) and Community Development (owned by staff)

- a. Objective: Examine current practices, revise for continuous best results and update school fundraiser events to ensure proper financial and community-based outcomes
  - i. Owned by the Fundraising committee
- b. Objective: Research Endowment Fund and strategy
  - i. Owned by the Fundraising committee
- c. Objective: Foster Community Stewardship
  - i. Staff will determine a definition of stewardship
  - ii. Staff will determine how Stewardship will be woven into school curriculum and programming
- d. Board recruitment to broaden availability of community and parents to serve on the combined NRCCS and Pre-school board by Dec 2022 - Completed

#### 3) Academics

- a. Objective: Foster Personalized Academic Learning
  - i. Staff to determine a definition of Personalized Learning
  - ii. Staff to determine a body of evidence that will showcase Personalized Learning
- b. Objective: Obtain accreditation credentials to provide the highest of instruction to all students < we are not pursuing an EL accreditation so deleting this objective
- c. Objective: Provide diverse opportunities for students < this is very unclear so will delete for now with more thought given for next year's goals
- d. Objective: Foster Purposeful Outdoor Education and Wellness (OEW) trips
  - i. Staff to determine a definition of Outdoor Discovery
  - ii. Staff to determine learning targets for each trip that connect to the classroom
