Linkage Meeting with Places of Worship

Hosted at Harvest Fellowship

11401 E. 160th Avenue

Brighton, CO 80602

BOARD OF EDUCATION MISSION STATEMENT

The Board of Education is committed to the School District's overall success and improvement.

The central focus of all meetings and discussions will be on establishing, monitoring, and supporting the District's goals. We will actively engage all segments of our community in this ongoing focus and provide an instructional program to assure that our students meet or exceed the highest and most rigorous standards.

Dinner will be served.

The Board of Education Directors will be conducting a linkage meeting with various places of worship. The Board of Education Directors may choose from the following questions for discussion:

1. What is your vision for your community and the 27J community working together in the future?
2. Do you have an outreach program, if so, how can we increase communication to better help those students and families we both serve?
3. What do you see that School District 27J is doing well in the aspects of teaching your community?
4. What do you see that School District 27J can improve on for your community?
5. What are the top two concerns the community you serve is facing in School District 27J (i.e. homelessness, financial, bullying, joblessness, etc.) that we together can try to work on?

6. What youth programs do you offer? At what levels? Elementary? Middle? High?

No official Board of Education business will be conducted at this meeting.
