This exemption from Florida Statutes and other laws and rules requiring public access or disclosure is addressed under Florida Statute 281.301, *Security systems; records and meetings exempt from public access or disclosure*. We will be presenting this public report to the Audit Committee at the next scheduled meeting on October 16, 2020, and all confidential matters have been communicated with appropriate personnel at the District. We would like to thank the various members of the Information Technology department involved in assisting the Internal Auditors in connection with the audit.
