COLORADO SCHOOL DISTRICT 27J
GOVERNING POLICY OF
THE BOARD OF EDUCATION

Policy 2 – GOVERNANCE COMMITMENT

Date Adopted/Last Revised: January 27, 2009

Governance Process

The purpose of the Board, on behalf of residents and property owners of the District is to ensure that the District (1) achieves appropriate results for appropriate recipients at an appropriate cost (as specified in Board Goals policies), *and* (2) avoids unacceptable actions and situations.

Policy 2.A – GOVERNING STYLE & VALUES

Date Adopted/Last Revised: April 24, 2012

Revised: July 29, 2014

The Board will govern lawfully, observing Policy Governance principles, with an emphasis on (a) outward vision rather than internal preoccupation, (b) encouragement of diversity in viewpoints, (c) strategic leadership more than administrative detail, (d) clear distinction of Board and chief executive roles, (e) collective rather than individual decisions, (f) future rather than past or present, and (g) governing proactively rather than reactively.

Accordingly:

1. The Board will cultivate a sense of group responsibility. The Board, not the staff, will be responsible for excellence in governing. The Board will be the primary initiator of governing policy.
2. The Board may use the expertise of individual members to enhance the Board's understanding of issues, but will not substitute such expertise for the judgment of the Board.
3. The Board will direct, control and inspire the organization through the careful establishment of broad written policies reflecting the Board's values and perspectives. The Board's major focus will be on the achievement of intended long-term impacts outside the organization, not on the administrative or programmatic means of attaining those effects.
4. The Board will enforce upon itself whatever discipline is needed to govern with excellence. Discipline will apply to matters such as attendance, preparation for meetings, policymaking principles, respect of roles, adherence to board standards of conduct, and ensuring the continual development of governance capability. *Discipline of a board director may occur when that director violates reasonable standards of conduct, whether or not the misconduct occurs in the performance of their duties as a board director. This discipline may include, but is not limited to, private or public censure, written reprimand, or a call for resignation.*
 - a) Continual Board development will include orientation of new or potential Board members in the Board's governance process and periodic Board discussion of process improvement.
5. Although the Board can change its governing policies, it will conscientiously observe those currently in effect.
6. All policies of the Board are contained in this document, and they remain in effect, unless amended or deleted by Board action.
7. The Board will not allow any Board director, Board committee, employee of the school district or member of the public to prevent the Board from fulfilling its duties and commitments.
8. The Board will monitor and assess its process and performance at the completion of each meeting. Self-monitoring will include comparison of Board activity and discipline to Governance Process and Board-Management Delegation policies.
9. The Board's activities, with the exception of personnel or other matters of a sensitive nature, shall be open and accessible to reasonable scrutiny by its "owners."

10. In compliance with Titles VI & VII of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, Section 504 of the Rehabilitation Act of 1973, the Age Discrimination in Employment Act of 1967, the Americans with Disabilities Act, the Genetic Information Nondiscrimination Act of 2008, and Colorado law, School District 27J does not unlawfully discriminate on the basis of race, color, sex, religion, national origin, ancestry, creed, age, marital status, sexual orientation, genetic information, disability or need for special education services in admissions, access to, treatment, or employment in educational programs or activities which it operates and provides equal access to the Boy Scouts and other designated youth groups. A lack of English language skills will not be a barrier to participation or admission.

Policy 2.B – BOARD JOB PRODUCTS

Date Adopted/Last Revised: January 27, 2009

On behalf of the “ownership” it represents, the Board of Education assumes direct responsibility for ensuring appropriate organizational performance:

1. The Board will be the conduit linking the ownership and the operational organization.
 - a) Needs Assessment: The Board will assess the needs of the ownership as they relate to the organization’s activities and scope of influence, and will develop Goals policies identifying and prioritizing the outcomes the organization will produce to address those needs.
 - b) Advocacy: The Board will inform the ownership of the organization’s expected future results, and its present accomplishments.
2. The Board will develop and maintain written governing policies that realistically address the broadest levels of all organizational decisions and situations:
 - a) GOALS: Organizational products, effects, benefits, outcomes, recipients, and their relative worth (what good for which recipients at what cost).
 - b) MANAGEMENT LIMITATIONS: Constraints on executive authority that establish the prudence and ethics boundaries within which all executive activity and decisions must take place.
 - c) GOVERNANCE PROCESS: Specification of how the Board conceives, carries out and monitors its own task.
 - d) BOARD/MANAGEMENT DELEGATION: How power is delegated and its proper use monitored: the Superintendent role, authority and accountability.
3. The Board will assure successful organizational performance on Goals and Management Limitations.

Policy 2.C – AGENDA PLANNING

Date Adopted/Last Revised: April 24, 2012, May 26, 2015

The Board will prepare and follow an annual work plan that (1) completes a re-exploration of Goals policies annually and (2) continually improves Board performance through Board education, enriched input and deliberation.

Accordingly:

1. The Board's annual planning cycle will conclude each year on the last day of March so that administrative planning and budgeting can be based on accomplishing a one-year segment of the Board's most recent statement of long-term Goals.
2. The cycle will start with the Board's development of its agenda for the next year.
 - a) The Board will identify its priorities for Goals and other issues to be resolved in the coming year, and will identify information gathering necessary to fulfill its role. This may include consultations with selected groups in the ownership, other methods of gaining ownership input, governance education, and other education related to Goals issues, (e.g. presentations by futurists, advocacy groups, demographers, other providers, staff, etc.).
 - b) The President in conjunction with the Vice President will, at the commencement of the Board's annual planning cycle, prepare and present for the Board's consideration a tentative agenda plan for the following year's meetings.
3. The President will determine the agenda for any particular meeting, although Board members may request or recommend any appropriate matters for Board consideration.
 - a) A Board member may recommend or request a matter for Board discussion by submitting the item to the President at least 10 days prior to the scheduled Board meeting.
 - b) The meeting agenda and packet are to be received by Board members at least 5 days prior to the scheduled Board meeting.
 - c) By an affirmative vote of a majority of those present at a meeting, additional matters, for informational purposes only, may be added to the agenda of any Board meeting. No items intended for action may be placed on a board agenda without the provision of notice to the public.

Policy 2.D – BOARD OFFICERS & MEETING CONDUCT

Date Adopted/Last Revised: May 22, 2012, May 26, 2015

 - d) The President may delegate this authority but remains accountable for its use.

 - c) The Secretary has authority to access and maintain control over Board documents, and the use of staff time as necessary to fulfill the duties outlined above.

d) The Secretary will see to the following:

1. full and timely notice is given to the public of any meeting at which the adoption of any proposed policy or formal action shall occur or at which a quorum of the Board is expected to attend. Normally regular Board meetings are scheduled on the fourth Tuesday of each month.
2. dates of regular meetings of the Board shall be provided in annual announcements and made available in printed form to the news media and public.
3. the agenda for all regular meetings shall be posted on designated bulletin boards in the administration, school, and other buildings where employees are assigned prior to the time of the meeting. The agenda shall be made available upon request.

These shall reach Board members at least 24 hours before the meeting time and, if mailed, no later than 72 hours prior to the hour set for the meeting.

5. The Board Treasurer is an officer of the Board whose purpose is to ensure the financial integrity of the Board's accounts. The treasurer shall execute a bond in such sum as directed by the Board. The cost of such bond shall be paid by the district. He/she shall perform, or cause to be performed, the duties as prescribed by law.

- a) The Treasurer's job is to see to it that all Board transactions are conducted in a fiscally responsible manner, following all accepted standard business practices.
- b) The Treasurer has authority to expend and receive funds on behalf of the board and as directed.
- c) The position of Board Treasurer will be filled by the sitting Chief Financial Officer.

6. Meetings

All meetings of a quorum or of three or more members of the Board, whichever is fewer, at which any public business may be discussed or any formal action taken shall be open to the public at all times except for periods in which the Board is in executive session.

Regular Meetings

Regular meetings of the Board shall be held at 7:00 p.m. on the fourth Tuesday of each month in the Ed Harshbarger Educational Services Center or at a site designated by the Board of Education.

Special Meetings

Special meetings of the Board may be called by the Board President at any time and shall be called upon the written request of a majority of the members.

Any member may waive notice of a special meeting at any time before, during or after such

meeting, and attendance thereat shall be deemed to be a waiver.

No business other than that stated in the notice of the meeting shall be transacted unless all members are present and agree to consider and transact other business.

Regular Study Session

The Board, as a decision-making body, is confronted with a continuing flow of problems, issues and needs which require action. While the Board is determined to expedite its business, it also is mindful of the importance of planning, brainstorming and thoughtful discussion without action. Therefore, from time to time the Board may schedule work/study session, which shall be open to the public, in order to provide its members and the executive staff with just such opportunities. Topics for discussion and study shall be announced publicly.

Community Linkage Meetings

Community Linkage meetings with specified groups shall be held on the second Tuesday of each month in the Ed Harshbarger Educational Services Center or at a site designed by the Board of Education.

7. Executive Session

All regular and special meetings of the Board shall be open to the public except that at any regular or special meeting the Board may proceed into executive session upon a majority vote of two-thirds of the quorum present.

The Board shall not make final policy decisions nor shall any resolution, policy or regulation be adopted or approved nor shall any formal action of any kind be taken during any executive session.

The Board may hold an executive session for the sole purpose of considering any of the following matters.

- a) Purchase, acquisition, lease, transfer or sale of any real, personal or other property. However, no executive session shall be held to conceal the fact that a member of the Board has a personal interest in such property transaction.
- b) Conferences with an attorney for the purpose of receiving legal advice on specific legal questions. The mere presence or participation of an attorney at an executive session shall not be sufficient to satisfy this requirement.
- c) Matters required to be kept confidential by federal or state law or regulations.
- d) Specialized details of security arrangements or investigations.
- e) Determination of positions relative to matters that may be subject to negotiations, development of strategy for negotiations and instruction of negotiators.
- f) Personnel matters except if an employee who is the subject of an executive session requests an open meeting. If the personnel matter involves more than one employee, all of the employees must request an open meeting.

The Teacher Employment, Compensation and Dismissal Act shall prevail in teacher dismissal hearings. (It provides that a dismissal hearing shall be open unless either the administration or employees requests the hearing be closed.)

- g) Consideration of any documents protected under the mandatory nondisclosure provision of the Open Records Act.
- h) Discussion of individual students where public disclosure would adversely affect the person or persons involved.

Prior to convening in executive session, the Board president shall announce the general topic of the executive session which shall be reflected in the minutes. Only those persons invited by the Board may be present during any executive session.

8. Except as otherwise specified by state law or Board policies pertaining to its own operating procedures, the Board shall operate by the rules prescribed in Robert's Rules of Order, Newly Revised.

9. All voting shall be by roll call, with each member present voting "Aye" or "No" alphabetically. However, election of the president and vice president may be by secret ballot.

A member may abstain from voting only if excused by the Board for good cause.

A Board member who has a personal or private interest in any proposed or pending matter which presents a conflict of interest in accordance with Board policy shall disclose such interest and shall not vote unless his/her participation is necessary to obtain a quorum or otherwise enable the Board to act. Under such circumstances, the member shall comply with the voluntary disclosure requirements set out in state law.

To pass, any motion must be approved by a majority of the members present except as state law or policies of this Board may require a majority of full membership.

The official minutes will be signed by the secretary, and following their approval, the official copy shall also be signed by the president of the Board of Education.

The official minutes shall be in the custody of the secretary to the Board and shall be made available to the public at the administrative offices of the district upon request during normal office hours.

11. Public Participation in Meetings

All regular and special meetings of the Board shall be open to the public. Because the Board desires to hear the viewpoints of citizens throughout the district and also needs to conduct its business in an orderly and efficient manner, it shall schedule one or more periods during each meeting for brief comments and questions from the public. The Board shall set a time limit on the length of this period and/or time limit for individual speakers.

Members of the public wishing to make formal presentations before the Board should make arrangements in advance with the superintendent so that such presentations may be scheduled on the agenda.

Comments and questions at a regular meeting may deal with any topic related to the Board's conduct of the schools. Comments at special meetings must be related to the call of the meeting.

The Board president shall be responsible for recognizing all speakers, who shall properly identify themselves, for maintaining proper order, and for adherence to any time limits set.

Governance Process

The Board commits itself and its members to ethical, professional, and lawful conduct, including proper use of authority and appropriate decorum when acting as Board members.

 - e) If the contract is one in which the Board member has disclosed a personal interest and is one on which he/she has not voted or has voted as allowed in state law following disclosure to the secretary of state and to the Board.
6. Except as described above, a Board member shall not be a purchaser at any sale or a vendor for any purchase made by the district.

9. A Board member aware of credible information that suggests that a Board policy has been violated, by either the Board or the Superintendent, has an affirmative obligation to bring the concern to the Board’s agenda for monitoring.

- a) Disclose or use confidential information acquired in the course of his/her official duties to further substantially the board member’s personal financial interest.

8. Attendance — As contemplation, deliberation and decision-making require collaboration and participation, Board members are expected to attend Board meetings. Policy 2.H – BOARD COMMITTEE PRINCIPLES

Date Adopted/Last Revised: January 27, 2009

Board committees, when used, have one essential role—to strengthen and support the work of the Board as a whole. Board committees are not to interfere with delegation from Board to the Superintendent, or from the Superintendent to other staff.

Accordingly:

1. Board committees will be established to help the Board do its job, not to help, advise or exercise authority over staff.
2. Board committees most commonly assist the Board by undertaking activities not delegated to the Superintendent, by preparing policy alternatives and implications for Board deliberation, or by performing specific monitoring functions.
3. Board committees will be used sparingly and ordinarily in an ad hoc capacity. When a committee's purpose has been fulfilled, it will cease to exist.
4. Board committees may not speak or act for the Board except when formally given, in writing, such authority for specific and/or time-limited purposes. The Board will carefully state its expectations and committee authority in order not to conflict with authority delegated to the Superintendent.
5. Because the Superintendent works for the full Board, he or she will not be expected to obtain approval of a Board committee before an executive action.
6. This policy applies to any group formed by Board action, whether or not it is called a committee and regardless of whether the group includes Board members. This policy does not apply to committees formed under the authority of the Superintendent.

Policy 2.1 – BOARD COMMITTEE STRUCTURE

Date Adopted/Last Revised: April 24, 2012, May 26, 2015

A committee is a Board committee only if its existence and charge come from the Board, regardless of whether Board members sit on the committee. The only Board committees are those which are set forth in this policy. Unless otherwise stated, a Board Committee will cease to exist when its task is complete. Unless otherwise specified, the Superintendent, or his/her staff designee, will serve as a non-voting member of each committee.

1. In addition to the following standing committees, the Board, in its discretion may establish advisory committees for a specific task and time (ad hoc).

2. Ownership Linkage Committee

- a) Product: Development of mechanisms and plans for Board approval regarding linkage between the Board and the ownership of the District.
- b) Authority: To incur costs within board budget and no more than 20 hours of management time per month.

- c) Education committee will assign senior board members as mentors to all new board members. The role of the mentor will be to assist and advise the new board director with board duties and responsibilities. No formal board action is required.

**Policy 4 – GOVERNANCE – MANAGEMENT
CONNECTION**

Date Adopted/Last Revised: January 27, 2009

Board-Management Delegation

The Board's sole official connection to the operational organization, its achievements and conduct will be through a Chief Executive Officer, titled Superintendent.

Policy 4.A – UNITY OF CONTROL

Date Adopted/Last Revised: January 27, 2009

Board-Management Delegation

Only officially passed motions of the Board are binding on the Superintendent.

Accordingly:

1. Decisions or instructions of individual Board members, officers, or committees are not binding on the Superintendent except when the Board has explicitly delegated this authority.
2. If Board members or committees request information or assistance without Board authorization, the Superintendent can refuse such requests that, in his/her opinion, require an inappropriate amount of staff time or funds or are disruptive.

COLORADO SCHOOL DISTRICT 27J
GOVERNING POLICY OF
THE BOARD OF DIRECTORS

**Policy 4.B – ACCOUNTABILITY OF THE
SUPERINTENDENT**

Date Adopted/Last Revised: January 27, 2009

Board-Management Delegation

The Superintendent is the Board's only link to operational achievement and conduct, so that all authority and accountability of staff, as far as the board is concerned, is considered the authority and accountability of the Superintendent.

Accordingly:

1. The Board will not give instructions to persons who report directly or indirectly to the Superintendent.
2. The Board will not evaluate, either formally or informally, any staff other than the Superintendent.
3. The Board will view Superintendent performance as identical to organizational performance, so that organizational accomplishment of Board stated Goals and compliance with Management Limitations will be viewed as successful Superintendent performance.

**Policy 4.C – DELEGATION TO THE
SUPERINTENDENT**

Date Adopted/Last Revised: January 27, 2009

Board-Management Delegation

The Board will instruct the Superintendent through written policies that prescribe the organizational Goals to be achieved, and describe organizational situations and actions to be avoided, allowing the Superintendent to use any reasonable interpretation of these policies.

Accordingly:

1. The Board will develop and maintain *Goals* policies instructing the Superintendent to achieve certain results, for certain recipients at a specified worth or priority. These policies will be developed systematically from the broadest, most general level to more defined levels. All issues that are not Goals issues as defined here are Means issues.
2. The Board will develop and maintain *Management Limitations* policies that limit the latitude the Superintendent may exercise in choosing the organizational means. These limiting policies will describe those practices, activities, decisions and circumstances that would be unacceptable to the Board, even if they were to be effective in producing the desired results. These policies will be developed systematically from the broadest, most general level to more defined levels. The Board will not prescribe organizational means delegated to the Superintendent.
3. Any limitation policy at a given level does not limit the scope of any preceding level. As long as the Superintendent uses *any reasonable interpretation* of the Board's Goals and Management Limitations policies, the Superintendent is authorized to establish all further policies, make all decisions, take all actions, establish all practices and develop all activities. Such decisions of the Superintendent shall have full force and authority as if decided by the Board.
4. The Board may change its Goals and Management Limitations policies, thereby shifting the boundary between Board and Superintendent domains. By doing so, the Board changes the latitude of choice given to the Superintendent. However, as long as any particular delegation is in place, the Board will respect and support decisions made by the Superintendent that are compliant with Board policy, as reasonably interpreted.

**Policy 4.D – BOARD-GENERAL COUNSEL
RELATIONSHIP**

Date Adopted/Last Revised: January 27, 2009

Board-Management Delegation

The purpose of the General Counsel is to ensure that the Board's actions take place with competent and prudent legal counsel and representation.

1. Accountability of the General Counsel

- a) The General Counsel is accountable to the Board acting as a body, never to any individual Board member or group of members, nor to the Superintendent.
- b) If Board members or committees request information or assistance without Board authorization, the General Counsel may refuse such requests that require, in his/her opinion, an inappropriate amount of staff time or funds or is disruptive. In such a case, the requestor may choose to bring the request to the Board.
- c) General Counsel accountability is for all resources, including personnel, under his or her control. Therefore, any accomplishments or violations due to actions of a subordinate of the General Counsel are considered to be accomplishments or violations by the General Counsel.
- d) The General Counsel may accomplish the "Job Products" of the position in any manner not imprudent, unethical, or in violation of the prohibitions listed below under "Limitations on General Counsel Authority."
- e) The General Counsel may use any reasonable interpretation of Board policies as they pertain to his/her authority and accountability. The General Counsel is authorized to establish all further policies, make all decisions, take all actions and develop all activities as long as they are consistent with any reasonable interpretation of the Board's policies.

2. Job Products of the General Counsel

- a) Timely opinion on documents and contemplated decisions or actions of the Board and the Superintendent.
- b) Timely opinion on the legal ramifications of pending or actual laws, regulations, court decisions, and litigation.
- c) Timely opinion on the legality or propriety under the law of the Board's processes.
- d) Timely opinion on the legality or propriety under the law of pending or actual acts or omissions of any Board member, Board committee or the Superintendent.
- e) When requested or appropriate, alternate language or action to achieve Board or Superintendent intentions in a lawful manner.

- f) Litigation
 - (i) Advice regarding avoidance of litigation or settlement of potential litigation.
 - (ii) Timely provision to the Board and the Superintendent on the status of settlement negotiations and all threatened/actual litigation.
- 3. Limitations on General Counsel Authority.
 - a) No exercise of authority over Superintendent or staff other than that in the Office of the General Counsel.
 - b) No violation of applicable codes of professional ethics and conduct.
 - c) No treatment of the public or staff in a disrespectful or unfair manner.
 - d) All employees under the General Counsel purview must comply with the same personnel policies, compensation plans and other policies which have been adopted by the Superintendent for all District employees.
 - e) No contracting-out of legal services except as justified by excess workload or insufficient expertise of legal staff, and within Board allocated budget for General Counsel's office.
 - f) No expenditures or fiscal encumbrances beyond those authorized under Board policy.
 - g) Information shall not unreasonably be withheld from the Superintendent, nor shall General Counsel fail to cooperate with the Superintendent in the performance of his/her official functions.
- 4. Evaluation of General Counsel performance.
 - a) General Counsel accountability is only for job expectations explicitly stated by the Board in this document. Consequently, the provisions herein are the sole basis of any subsequent evaluation of General Counsel performance, though he or she may use any reasonable interpretation of the Board's words.
 - b) The Board may monitor General Counsel performance with respect to these expectations at any time.

Policy 4.E – MONITORING SUPERINTENDENT PERFORMANCE

Date Adopted/Last Revised: March 22, 2011

Board-Management Delegation

The Board will systematically and rigorously monitor Superintendent job performance to determine the extent to which Goals are being achieved and whether operational activities fall within boundaries established in Management Limitations policies.

Accordingly:

1. Monitoring is simply to determine the degree to which Board policies are being met. Information that does not address policy compliance will not be considered in the evaluation of Superintendent performance.
2. The Board will acquire monitoring data by one or more of three methods:
 - a) by internal report, in which the Superintendent discloses, in writing, policy interpretations and compliance information to the Board. As appropriate in a given context, the Superintendent may present information to justify his/her interpretation.
 - b) by external report, in which an external, disinterested third party selected by the Board assesses compliance with Board policies, as reasonably interpreted by the Superintendent, or
 - c) by direct Board inspection, in which a designated member or members of the Board assess compliance with the appropriate policy criteria, as reasonably interpreted by the Superintendent.
3. In every case, the Board will judge whether (a) the Superintendent's interpretation is reasonable, and (b) whether data demonstrate accomplishment of or compliance with the Superintendent's interpretation.
4. In every case, the standard for compliance shall be *any reasonable Superintendent interpretation* of the Board policy being monitored. The Board is the final judge of reasonableness, and will always judge with a "reasonable person" test (what a reasonably prudent person would do in that context). Interpretations favored by individual board members or by the Board as a whole do not constitute a "reasonable person" test.
5. Actions determined to be not compliant with a reasonable interpretation of Board policies will be subject to a remedial process agreed to by the Board.
6. All policies instructing the Superintendent will be monitored at a frequency and by a method chosen by the Board. The Board may monitor any policy at any time by any method, but will ordinarily depend on the following routine schedule.
