BOARD OF EDUCATION MISSION STATEMENT

The Board of Education is committed to the School District's overall success and improvement.

The central focus of all meetings and discussions will be on establishing, monitoring, and supporting the District's goals. We will actively engage all segments of our community in this ongoing focus and provide an instructional program to assure that our students meet or exceed the highest and most rigorous standards.

LINKAGE MEETING AGENDA

Dinner will be served.

1. LINKAGE MEETING WITH ENGLISH LANGUAGE LEARNER FAMILIES

Patrick Day

The Board of Education members will discuss the following questions with the group:

- a) Can you share some things that you are pleased with in terms of the education we are providing? How about things you would like to see improved?
- b) What services have you found to be helpful from your school in meeting your student's needs? What services may be missing?
- c) What is the best way to communicate to your family about your student's academic progress and school events?
- d) If there is one thing you would like the members of the school board to hear, remember, and share with our schools in regards to English Language Learners in our schools and school district, what would that be?
- e) Do you find your student's school to be friendly and helpful? If so, why? If not, why and how can we improve?

- f) What would you tell your new neighbors with children about your school and the school district?
