Emily A. Jolina T Kendy L

- Mrs Huss- fun
- Mrs. Capra-fun and could help you learn

- Mrs Hole- math- but would help you learn anything
- Dr. Sassoville-strong to teachers and you to be yourself
- Mrs. Hidmen-
- Mr Purfurst- Student Council Advise- takes the time to get to know you
- Mrs Mauracher-seems cool, but helps the troubled students get through
- Mrs. Adam-sensitive subjects like an science and evolution
- Nick Mendoza-counseled helped her find out what to do about college
- Mr. Miller-leadership helped out of her shell and get rid of shyness
- Class crowding- not having a chance to get the chance to know them

Jeremy, Sarah, Katrina

- Mr. Lush- science gives you honesty, doesn't sugar coat it but let's you hear it them helps you work on it
- Mrs. Anders-ERT-English- had fun, helpful in how they teach
- Mr. Vincent
- Mrs. Mauracher- one of those that goes above and beyond and can be a support system for kids
- Mr. Thucker-4th grade stood out, 2nd creek made learning enjoyable
- Mrs. Mitchell-case manager- dyslexia helped her to get back on IEP

Erik, Rylee, Maddie

- Kevin Purfurst- STCO- came in and filled the void and change very personable
- Matt Nylund- returning to PE treats us like his kids asked about my day and has been a staple tries to get me engaged, beat cancer and we supported him
- Dr. Sayewill-got interested in science because of him still use things he taught, molded me to who I am, all my gym teachers
- Mrs. Hole/Gustaf- they tell when your stress
- Mr. Bettiz- made the bilingual experience and helped me catch up and got me to succeed my English level, was because of him outside of class
- Mrs. Sanchez-way aware of states and re-communicate with Mr. Bettiz and continued on with his language level
- Mrs. Hole- very involved AP calc gives up time to make sure they are successful
- Mrs. Gustaf- involved, tough but helps you learn and walk us through it 10 students just hanging out more friend than teacher
- Marshall King- STCO- stories, fun, and helped us learn and get a lot done
- Dr. Fielder- help me figure out what school to pick he takes the time helped get stuff for scholarships

Janell, Ryan, Ariana

- Mr. Halbert- Honor English- asks real questions and makes it fun
- Kevin Purfurst- STCO- was there for you personally and cares each individual, reached out to me and noticed something wrong “aware”
- Jake Nelson- just a great inspirational human being, math is very hard and work with me until I understood, life lecture, meaning of math and why it is what it is and how did we get there it will help us learn it
- Mr. Ritter/Patrick Steil-learn so much from them, it’s about the understanding instead of facts

Molly, Anthony, Carina, Paula

- Mr. Hart- math
- Jake Nelson- words of advice tries to prepare for after
- Kevin- trying to help you move forward scholarships if you need to talk
- Mrs. Miller- science made things fun and crazy a big support through billing and divorce
- Mr. Miller- leadership group built confidence, little sister taking them
- Mrs. Ayden- science helped her get into and help learn always ready to listen
- Jake Nelson- will help upon with anything, many opportunities, anytime of the day he helped learned the respect of students and staff
- Casey Schmitz- soccer coach, never had her for class, someone to talk to
- Mr. Gonzales- S.S. Senior Advisor- very inspirational, welcoming, learn a lot, helped, and supportive everyone want to take his class, helpful with issues, blunt, straight forward, but keep it fun, they don’t hide who they are, this helps us get better

• What suggestions do you have for us?

- Class crowding- not having a chance to get the chance to know them
- Scheduling changes for night time classes-BOLT
- Passing periods
- Teachers need to understand
- I’d like to see Heritage give more feedback instead of a
- Teachers be involved in the school instead of just being a job
- Teachers don’t show in their school
- See new materials in Heritage overall
