Unified Improvement Plan

Major Improvement Strategy 1

Please indicate your first major improvement strategy:

We will use the PLC process to analyze student data to improve student academic performance in ELA and Math.

Did you meet your goal?

We met part of it by doing data meetings and seeing some increase in academic performance in ELA in grades 5 and 7.

What adjustments will you make in 23-24?

We are adding a new PLC process where deans go to grade level meetings once per week to help facilitate and lead data analysis using common assessments.

Major Improvement Strategy 2

Please indicate your second major improvement strategy:

Establish an Ideal Team Player culture with staff, students, and families.

Did you meet your goal?

What adjustments will you make in 23-24?

Employee Engagement

As illustrated in the chart below, the school has seen a steady increase in overall employee satisfaction since an original decline during the COVID pandemic. Since the Fall 2021 survey, the school has continued to make up ground, maintaining engagement surveys with a 100% response rate. Their current rate of 80 is above the company and Education Benchmark of engagement.

What policy changes or practices did you put in place as a result of those trends?

We are continuing with our Behave with Care culture and clear communication with stakeholders. We also have a new school communication system called SchoolConnect that has helped us streamline our communication with families.
