

Kingsway Regional Middle School
School Counseling Department

WELCOME BACK CLASS OF 2022

A MESSAGE FROM MRS. HENRY

Dear Dragon Families,

My name is Mrs. Henry, and this is my 16th year in the Kingsway Regional School District. I am thrilled to continue to work with you and your student as the 8th grade school counselor for the 2022-2023 school year. There is no doubt that this will be an exciting year!

Eighth grade is one of the most important transition years. As your school counselor, I am available to assist in a variety of ways. I will support students' academic, college/career, and social/emotional development and serve as an advocate for both parents/guardians and students.

Please do not hesitate to contact me with any questions or concerns. I look forward to working with you and supporting students during their time in middle school.

Sincerely,
Mrs. Antoinette Henry
8th Grade School Counselor
