Feedback from Mrs. Mabry on the EXPLORE (grade 8) health curriculum:

“It is going well!!! All permission slips turned in and all parents were ok with all the lessons. Students seem to be responsive to it, but of course I am learning things that I might do differently next year to make it even more engaging. I am interested in bumping up to the high school book.

I did ask the students today if they felt like they could go up a level, and they all said yes. I think we should use the high school workbook next year.”
