As such, the officer will be subject to the ordinances, policies, procedures, rules, regulations, directives and orders of the City of Thornton and the Police Department. The officer also will comply with the policies and regulations of the School to the extent that such policies and regulations are not in conflict with those of the City; are not in conflict with agreements herein contained; or are not in conflict with Federal, State or City laws.

**B. Salary.** The School will pay a total of \$37,673.62 to the City in ten (10) equal monthly payments of \$3,767.36, payable on or before the last day of each successive month during the term of this Agreement for the purpose of compensating the City for one half (1/2) of the SRO's salaries. When requested by the School or an authorized school representative, the SRO will work overtime assignments such as after school or before school activities, athletic events, and special functions, subject to the approval of the Police Department. In addition, the School agrees to pay 100% of the SRO's overtime salary at the rate established for such officer by the City and pursuant to the City of Thornton Personnel Code Sec. 54-82(a)(1) incorporated herein by this reference (attached) for attendance at all the School's extracurricular activities and all other duties as set forth herein.

**C. Schedule.** The SRO will work a schedule, consistent with City ordinances, and subject to the Fair Labor Standards Act. Except as otherwise provided in this Agreement and during times when the School is in session, the SRO will be scheduled at the School Tuesday thru Friday, on a time schedule that is mutually agreed upon between the School and the Police Department, except for required duties such as, but not limited to, court appearances, mandatory meetings and specialized training related to the delivery of professional law enforcement services. During the School's Summer vacation, Spring break, Winter break, and on other days when the School is not in session, and the SRO is not involved in assigned school-related activities, the SRO, during the officer's shift hours dedicated to the School hereunder, will participate in Police Department or School training, take accumulated vacation, compensatory, or holiday time off or engage in prevention, enforcement and other activities as assigned by the Police Department. In the event of an emergency as determined by the City's Police Chief, the SRO may be engaged to perform general police duties. If this occurs, the School will be credited for 50 percent of the officer's hourly salary rate for every hour of regularly scheduled school related duties from which the officer is diverted. The SRO will be required to attend in-service training, conducted by the Police Department, one day each month and shall not be subject to this credit.

**D. Supervision.** The SRO will be subject to the Police Department chain of command (hereinafter called "Police Supervisor"). Day-to-day supervision will be by the assigned School's Principal, or his or her designees, except when actions would be in conflict with City policies. The assigned Police Supervisor will be responsible for maintaining frequent contact with the Principal and his or her management staff to monitor and ensure compliance with this School Resource Officer Program.

**E. Performance Appraisal.** The SRO's performance will be evaluated consistent with City policy and procedures by the assigned Police Supervisor in conjunction with the School's Principal or his or her designees.

**F. Selection.** The SRO will be selected in a manner as mutually agreed by the City's Police Chief and the School's Principal.

2. The supervisory chains of command for both the School's personnel and the Thornton Police Department personnel will be followed closely should situations arise that cannot be resolved internally at the School.

3. The School's Principal or his or her designee and Police Supervisors are encouraged to resolve issues at the School prior to seeking assistance from outside sources.

**I. Program Direction.**

1. It is of benefit to the School that the SRO be given the flexibility to be mobile and visible throughout the building and campus during duty hours.

2. Should the SRO have to leave the School for any reason during duty hours, the SRO will notify the School Principal or designee giving an approximate time of return to the School's site.

3. It is agreed that the School Principal and the SRO will meet on a regular basis (weekly or monthly, to be determined by the Principal and SRO), to discuss any concerns or issues which may impact the School or SRO.

**J. Referral(s).** If the School Principal or designees receive information concerning any incident or event, which may impact the safety of students and staff or otherwise violate any laws, the SRO will be immediately notified.

**K. Issuance of Summons and/or Arrest Determination.** The School and the Police Department acknowledge that some student misconduct may constitute both a violation of Board of Education Policy and Procedure and a violation of law. When this is the case, the student may be subject to both disciplinary procedures and criminal prosecution, as is applicable.

1. The SRO has the continuing authority and discretion to determine whenever a summons will or will not be issued, or an arrest made. The SRO may consult with the School Principal to evaluate the implications, impact and alternatives, if any, regarding an incident or event.

2. If after this discussion, it is determined by the SRO that the incident or event is a violation of law, it then becomes a matter for SRO action. Then the School will no longer be involved. All inquiries by outside persons will be referred to the Police Department by all School staff. Whenever a summons is issued, the SRO will not be requested by School staff to formally or informally rescind the SRO's determination of appropriate police action.

3. If after the discussion, it is determined the incident or event is a violation of the School's Policy and Procedures; it then becomes a matter for the School's Principal or designee. Then the SRO will no longer be involved. All inquiries to the Police Department or to the SRO will be referred to the School Principal or designee.
