Dear Parents:

The Iola ISD Board of Trustees delegates to the Superintendent the authority to accept or reject any transfer request, provided that such action is without regard to race, religion, color, sex, disability, or national origin.

A nonresident student wishing to transfer into the district shall file an application for transfer with the Superintendent's secretary by August 1 of each school year. Applications for transfer submitted after August 1 will only be considered if there are extenuating circumstances.

All students shall be considered for transfer into the district on an individual basis in accordance with federal court orders, current board policy, and state laws and regulations. In order to transfer into the district a student must:

- a. Have a good discipline record
- b. Have attended another Texas school district for one full year (with the exception of kindergarten applicants)
- c. If homeschooled, provide documentation from previous schools
- d. May not be a Pre-K student

An Inter-district Transfer Committee composed of the high school principal, the elementary principal, and two teachers from each campus will meet and review each transfer request. The following information must be submitted to the Inter-district Transfer Committee upon the initial request for transfer into the district:

- 1) A complete application
- 2) A letter from the parent stating the student's name, age, grade, and reason for requesting the transfer
- 3) A transcript (including standardized test scores – STAAR, EOC, etc.) from the current school the student is attending along with a complete address and telephone number of that school
- 4) A letter of recommendation supporting the transfer
- 5) A copy of the student's discipline record
- 6) A copy of the student's attendance record

After reviewing the transfer request, the committee will make a recommendation to the superintendent to accept or reject the transfer request. The superintendent will review the committee's recommendation and either accept or reject the transfer request. Once a decision has been made, the parents will be notified in writing.

The Inter-district Transfer Committee will also review the progress of transfer students throughout the school year. If the committee determines there is a problem with a student's behavior or if the student has excessive absences or tardiness, the parent will be contacted. If the behavior continues, a student's transfer may be revoked and the student could be withdrawn to return to his/her home district.
