TITLE I - Parent's Right-to-Know Letter

Dear Parent/Guardian,

Federal law requires school districts to notify parents of children attending a Title I school of their right to know the professional qualifications of the classroom teachers who instruct their child.

As a recipient of these Funds, Caswell County Schools will provide you with this information in a timely manner if you request it. Specifically, you have the right to request in writing the following information about each of your child's classroom teachers in a Title I school:

- Whether the teacher meets state qualifications and licensing criteria certification for the grade level and core academic subjects he/she is teaching;
- Whether the teacher received an emergency or conditional certificate through which state qualifications were waived;
- What undergraduate or graduate degrees the teacher holds, including graduate certificates and additional degrees, and major(s) or area(s) of certification.

You may also ask whether your child receives help from a paraprofessional. If your child receives this assistance, we can provide you with information about the paraprofessional's qualifications.

Caswell County Schools is committed to helping your child develop the academic knowledge and critical thinking he/she needs to succeed in school and beyond. That commitment includes making sure that all of our teachers and paraprofessionals are highly skilled.

If you have any questions about your child's teacher or paraprofessional, please contact your child's principal.
