**9. MATTERS OF PUBLIC COMMENT**

President Piotraschke

The Board will now hear public comment on the following topics that have been indicated on the sign-in sheet. A reminder that this Board meeting is a business meeting held in public not a public meeting. The Board hears public comment to learn about the preferences and concerns of our community. So, tonight we will listen. We are prohibited by state law to take any action on the items because law requires formal public notice prior to any action on an agenda item. During our next meeting, if appropriate, we will consider your comments in our discussion, and we will ask that the Superintendent attempt to find an answer for any of your questions by that time.

The Board welcomes the comments of our community members, but to ensure that everyone will have an opportunity to participate, we have a few ground rules we ask you to follow:

- Anyone intending to address the Board should sign the speaker sign-in sheet. I will call speakers in the order in which they signed in.

- Speakers’ comments are limited to three minutes.
- If more than one person wishes to speak on the same topic, the new speaker is limited to providing only new information. Please, do not repeat views already expressed by other speakers.
- We ask you to refrain from making complaints or negative comments against individual students or District employees; however, we cannot prevent you from doing so. Such complaints and comments should be addressed first at the classroom or school level, and then if still unresolved, to the Superintendent.
- Disturbing good order by inappropriate language or gestures is grounds for removal from the meeting.

We thank you in advance for your participation tonight.

**10. CONSENT AGENDA (Policy References: 2.C)**

President Piotraschke

All matters listed under Consent Agenda are operational matters about which the Board has governing policies, implementation of which is delegated to the Superintendent. They will be enacted in one motion by category in the order listed below. There will be no discussion of these items prior to the time the Board of Directors vote on the motion, unless members of the board, staff or public, request specific items to be discussed separately and/or removed from this section.
