**7. MATTERS OF PUBLIC COMMENT**

President Piotraschke

The Board is conducting this meeting virtually, and will now hear public comment on the following topics that were submitted by 12:00 p.m. on the day of the meeting via a submission document. A reminder that this Board meeting is a business meeting held in public not a public meeting. The Board hears public comment to learn about the preferences and concerns of our community. So, at this meeting, we will listen. We are prohibited by state law to take any action on the items because law requires formal public notice prior to any action on an agenda item. During our next meeting, if appropriate, we will consider comments in our discussion, and we will ask that the Superintendent attempt to find an answer for any of your questions by that time.

The Board welcomes the comments of our community members, but to ensure that each comment will have an opportunity to be heard, we have a few ground rules:

- Anyone submitting topics should include their name and address.
- The statements will be read in the order in which they were submitted. The submitter's comments are limited to a three-minute reading.
- If more than one person submitted comments on the same topic, new information will be provided when reading the next statement. Please avoid repeating views already expressed by other, if possible. Multiple names and addresses may be attached to the same submission.
- We ask you to refrain from making complaints or negative comments against individual students or District employees; however, we cannot prevent you from doing so. Such complaints and comments should be addressed first at the classroom or school level, and then if still unresolved, to the superintendent.

We thank you in advance for your participation tonight and submitting public-comment topics.

**8. CONSENT AGENDA (Policy References: 2.C)**

President Piotraschke

All matters listed under Consent Agenda are operational matters about which the Board has governing policies, implementation of which is delegated to the Superintendent. There will be no discussion of these items prior to the time the Board of Directors vote on the motion, unless members of the board, staff or public, request specific items to be discussed separately and/or removed from this section.

Any member of the public who wishes to discuss consent agenda items should notify the President of the Board or the Board secretary, in writing, by 12:00 p.m. on the day of the meeting, and be recognized by invitation of the President to address the Board.
