A New Paradigm for Education Campus

Black History Message from Principal

Black History Month is in February in recognition of the birthdays of Abraham Lincoln and Frederick Douglass. The month was [chosen in recognition](#) of the birthdays of Abraham Lincoln and Frederick Douglass. During the Civil War, Lincoln worked tirelessly to expand the rights of Black Americans. Douglass, a formerly enslaved man, became a leader who fought to end slavery during the abolitionist movement.

As we continue to move as full speed through the school year, focused on academics it's important to not lose sight of the Academy expectations around respect and kindness. While it's not always easy to connect with another person, it is always expected that students treat each other with respect. While at UYA we will continue to practice being good human beings. Calling each other names, harassing others via Social Media etc. will not be tolerated and will only result in consequences.

Attendance

Students who are chronically absent—meaning they miss at least 15 days of school in a year—are at serious risk of falling behind in school.

For example, if we have been in school for 30 days and if your scholar has 3 or more absences they are considered chronically absent and could potentially be retain.
