

MEMBERSHIP APPLICATION

Southeast Academy High School Booster Club is a parent-led, 501(c)(3) Non-Profit organization. Our mission is three-fold: community building to establish excellent relationships between the Norwalk-La Mirada Unified School District and local community business leaders. To foster parent participation, while bridging a support system leading each student towards their success. Fundraising to support student enrichment programs unique to SEAHS, where students love learning, and choose to embrace excellence in everything they do. Southeast Academy High School Booster Club is committed to facilitating and promoting high levels of parent/community leader participation. Your involvement helps SEAHS Booster Club make a profound, positive impact on our students as they grow intellectually, socially, and creatively develop into future contributors to our diverse, global community. Donate \$5 today to become a SEAHS Booster Club member!
