Choice of Art	1.0	Graduation class of 2025 and beyond	7.0

**What I Need (WIN)** is a required 30-minute time period which is part of each student's school day and passing the course adds .25 elective credit per year to each student's transcript and graduation requirement. During the week, students schedule themselves into offerings which may include: student groups, academic remediation and/or enrichment. Teachers and other school staff may also schedule students into WIN.
