**Dropping Course Policy at College of St. Scholastica** - Drops are allowed during the first two weeks of a semester. After the third day of a term, signatures are required by the instructor and advisor. The date the student requests the course drop is the official date used in registration. Confirmation of the last date of attendance must be supplied by the course instructor. A dropped course will not be officially entered on the students' record, including the student's transcript.

**Withdraw from a course:** Course withdrawals are allowed during weeks 3 through 9 of a semester. The date the student requests the course withdrawal is the official date used in registration. Confirmation of the last date of attendance must be supplied by the course instructor. A grade of W will be officially entered on the students' record, including the student's transcript.

**Dropping Course Policy at Fond du lac Tribal and Community College** - Add/Drop/Withdraw Registration for CITS courses occurs as part of the regular high school registration process. The high school instructor/CITS coordinator will assist you with the application process. The add/drop policy for CITS states the student has the first 25 days of FDLTCC's campus academic schedule to add or drop classes. After this date, a "W" (for withdraw) will appear on the student's transcript. Students wishing to drop after the 25th day must fill out a petition with their CITS coordinator. Students have until the 60th day of the semester to withdraw from a class.

<https://www.lsc.edu/current-students/student-payment-office/request-transcripts/>

**Dropping Course Policy for Lake Superior College** - Students must follow the calendar for adding, dropping, and withdrawing from courses set by the Lake Superior College CITS program. Students who do not add a course during the registration window cannot be added at a later date and will not receive LSC credit. Students who do not contact their high school counselor about dropping or withdrawing from a course by the stated deadlines cannot be dropped or withdrawn at a later date, risk receiving an F grade, and risk violating LSC policies. See the Petition to Policy section for information.

## University of Minnesota - Duluth

Name of Course High School/University	College Credits	Qualifying Requirements

**Dropping Course Policy at UMD** - If students transfer out of a semester course after the tenth week, they must officially cancel the course via an approved UMD petition; a “W” symbol (student withdrew from the course) will automatically appear on their UMD transcript. Tuition fees are not refunded to the school district if a student withdraws after the deadline for dropping a course. Deadlines are established by the UMD Office of the Registrar.

**Other information about College in the Schools:** [Mathematics Career and College Readiness \(CCR\) and Use of High School MCA Scores by Minnesota State Colleges and Universities Minnesota Statutes, section 120B.30](#) indicates that Minnesota State Colleges and Universities may use high school MCA reading and mathematics scores to assist in determining course enrollment.
