Midland High School 2023-2024 Annual Education Report (2022-2023 Data)

February 12, 2024

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER), which provides key information on the 2022-2023 educational progress for Midland High School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Tiela Schurman, Principal, at 923-5187 or email schurmanta@midlandps.org for assistance.

The AER is available for you to review electronically by visiting the following website <https://bit.ly/3nAfYAu>, or you may review a copy in the main office at your child's school.

For the 2022-2023 school year, schools were identified based on previous years' performance using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that had at least one underperforming student subgroup in 2022-2023. An Additional Targeted Support (ATS) school is one that had a student subgroup performing at the same level as the lowest 5% of all schools in the state in 2022-2023. A Comprehensive Support and Improvement (CSI) school is one whose performance was in the lowest 5% of all schools in the state or had a graduation rate at or below 67% in 2022-2023. Some schools are not identified with any of these labels. In these cases, no label is given.

Our school was not given one of these labels.

Midland High School will continue to implement strategies to increase student engagement, use evidence-based instructional practices, and ensure that every student has the support necessary for success. In addition to incorporating SEL competencies throughout instruction, we have had the opportunity to hire new staff that is certified to support our students' mental health. We have placed a strong focus on Tier One support to ensure we are implementing an effective MTSS structure and will continue to do so.

The academic data indicate the need for continued focus and intentional improvement, specifically with students who are receiving special education services and those who are economically disadvantaged, which aligns with the district and state data. Math and English language arts growth and proficiency will continue to be closely monitored through the NWEA benchmark assessments, local assessments, and state assessments. The data will be used to drive instruction and interventions.

Committed to providing the most inclusive and equitable learning environment, Midland High staff and students have collaborated on key strategies to ensure that everyone feels a sense of belonging and safety at school. Students and staff have formed diversity, equity, and inclusion work teams and continue to implement activities to enhance school culture and make Midland High a great place.

State law requires that we also report additional information.

1. PROCESS FOR ASSIGNING PUPILS TO THE SCHOOL

School attendance boundaries are set by the Board of Education. All students living in the attendance area of a school attend that school unless the Schools of Choice option is selected.

2. THE STATUS OF THE 3-5 YEAR SCHOOL IMPROVEMENT PLAN

Our Continuous Improvement Plan for 2022-2023 was developed collaboratively with our school team and is aligned with the MPS District Continuous Improvement Plan. The plan contains two core goals and multiple strategies designed to increase academic growth and the well-being of students and create the most inclusive and equitable opportunities for students. The plan is revised annually based on need and is available for review in the school office and online at the district website.

3. A BRIEF DESCRIPTION OF EACH SPECIALIZED SCHOOL

There are no specialized schools in the Midland Public Schools.

4. IDENTIFY HOW TO ACCESS A COPY OF THE CORE CURRICULUM, A DESCRIPTION OF ITS IMPLEMENTATION, AND AN EXPLANATION OF THE VARIANCES FROM THE STATE'S MODEL

A copy of the core curriculum may be obtained from the curriculum office at the MPS Administration Center. The core curriculum is fully implemented. There are no variances from the state's model.

5. THE AGGREGATE STUDENT ACHIEVEMENT RESULTS FOR ANY LOCAL COMPETENCY TESTS OR NATIONALLY NORMED ACHIEVEMENT TESTS

Midland Public Schools administered state and local assessments in spring 2022 and 2023.

SAT Cohort Data - Overall Mean Scores

In 2021-2022, 137 students took 253 IB/ AP exams. Of these exams, 203 (80%) received college credit.

Midland High School is proud of the variety of opportunities available to support student success. We intend to continue growing our IB Diploma Programme, Career and Technical Education programs, and our co-curricular offerings to ensure that every student has a meaningful academic experience. Each day we strive to support and educate the whole child, maintaining a rigorous academic curriculum, as well as meeting the social-emotional needs of all students. We aim to cultivate a safe learning environment where we ensure an equitable, collaborative, and inclusive culture is achieved.

Sincerely,

Tiela Schurman, Principal
Midland High School
