Summer: Under Construction 2024!
Weekly Themes

**Closed for Staff Training:** June 10 - 14
Staff training week - Explorer Club & Little Explorers closed.

**Building Blocks - Back to Basics:** June 17 - 21 (Closed June 19th)
Welcome to Summer! This week we will start by building a strong summer foundation. Focusing on our expectations, learning our new routines, and making new friends.

**Trail Blazers:** June 24 - 28
Follow your instinct, blaze your own trail. Do what you love and be creative. This week we will create a variety of different things using recycled materials.

**Kitchen Remodel:** July 1 - 3 (Closed July 4 & July 5)
This week we will be exploring with food! We will have a build your own pizza day and share fun creations with our friends. We will create structures using only food and our imaginations. We will also begin working on our fishing poles.

**Toad-ily Fun (Fishing Week):** July 8 - 12
Explore what lies beneath the water in many of our rivers. Create your own fishing pole and learn what is the best bait to catch “the big one.” No fishing experience required.

**Inspection Time:** July 15 - 19
The five senses are fascinating, they help us experience the world around us in many different ways. Nature is full of different smells, textures and sights. We will be using them all this week as we explore, inspect and create things we found out in nature!
**Crawlin' through the Woodwork:** July 22 - 26
It's bug week and during the summer there is no shortage of them! Come join in on the fun as we learn all about life cycles of different insects and explore how they have adapted throughout many years of evolution.

**Machine Madness:** July 29 - August 2
Join us this week as we learn about the world around us and make our own, unique inventions to help better mankind. Set a new trend by re-inventing a pair of shoes with super speed or create your own cup/plate combo for meal time. Use your imagination and have fun!

**Pop-Up Circus:** August 5 - 9
The circus is in town, but only for a limited time. Come join the fun as we work hard to design our own carnival games with the help of our summer ringleader, Mr. Juan! When they are complete we will test them out for a chance to win fun prizes!

**Outdoor Plumbing:** August 12 - 14 (Closed August 15 & 16)
What's up with the weather? The sky is leaking! This week we will create a tornado in a bottle and learn about the weather cycles and talk about what ingredients are needed to build a perfect storm.

**Landscaping Fun:** August 19 - 23
What is your favorite plant? Have you ever grown your own food? Summer is a great time to let your green-thumb shine! We will work on building a community garden that we can enjoy for many years to come.

**Feathered Friends:** August 26 – 29 (Closed August 30)
This week is all about our animal friends. New species are discovered every day, what could you discover? We will be creating animal face paintings and participating in silly relay races.

**Closed:** August 30 – September 2
Explorer Club and Little Explorers will be closed Friday, August 30th and Labor Day, September 2, and will resume the fall school year schedule on September 3, 2024.
