

Academic & Career Planning

2023-24 Sequence

At each grade level, students utilize Xello to implement their career goal-setting and planning. Students access and develop their Multi-Year Academic Plan (MYAP) through Infinite Campus. This is meant to be a “layered learning scaffold” that builds from one year to the next and supports the unique development of each student. Student goals and plans are expected to be updated annually/often based on personal experiences.

6th Grade
