Dear Mustang Community,

We are excited to host our first major fundraiser event through the Tradition of Excellence Foundation. This foundation is a 501(c)(3) non-profit institution that directly supports the work of the Maple School District. For nearly 115 years, Maple has remained true to its founders by being rooted in community values, family togetherness and a strong educational foundation. The Foundation focuses on enhancing the campus grounds and learning spaces that students use everyday. The work of the foundation is usually outside of the scope of traditionally funded school projects.

We are seeking donated items for our live & silent auction and financial sponsorships to help us underwrite the cost of the event. Sponsorships and donations above and beyond \$500 will receive **two tickets** to the event and **be recognized as a sponsor** for the event both in print and audibly from the stage.

Save the Date for May 18th, 2024 as we enjoy dinner, music and the rich history of Maple together at The Bloemhof Residence Barn. Our goal is to raise close to \$100,000 during this fundraiser event and you can be a part of it. Please consider helping make this event memorable and a success!

Thank you for your ongoing support of Maple and the difference it makes in our students' lives!
