Section 16. Performance Evaluations.

Teachers and administrators shall be evaluated in accordance with state law using one of the evaluation tools allowable by the Michigan Department of Education. The goal of the evaluation system is to improve teacher and administrator work performance and promote and support professional growth. Those teachers and administrators who are rated less than “effective” shall be addressed in the manner prescribed by law. Evaluations shall be used as a factor in staffing, placement, layoff and recall decisions as required and/or permitted by state law. Evaluators of teachers and administrators shall be provided training in accordance with state law.

Non-administrators and staff other than probationary and tenured teachers shall be evaluated in accordance with the evaluation process and procedures developed by the Human Resources Department and approved by the Superintendent, or where applicable, as negotiated in the collective bargaining agreements, or in an individual’s employment contract with the District.
