## MISSION STATEMENT

Canisius High School is a Catholic, Jesuit, independent, college-preparatory school serving young men of diverse backgrounds from throughout Western New York. Canisius challenges its students to strive for excellence as critical thinkers and effective communicators who are open to growth, intellectually competent, religious, loving, and committed to justice.

Canisius promotes the development of students through a comprehensive liberal arts curriculum firmly rooted in the Jesuit tradition of education, spirituality and service.

Faithful to St. Ignatius Loyola's desire to provide care and concern for the whole person, Canisius affords each member of the school community the opportunity to develop individual talents for the service of others and the greater glory of God.

William Oh '23 (Princeton University) of Williamsville and his family were among the many savoring the moment following our 153rd Commencement Ceremony.

## FROM THE **PRESIDENT'S OFFICE**

I am delighted to share this edition of CHS Today and the annual Impact Report with you. It provides an opportunity to express my deep gratitude for your generosity and ongoing commitment to Jesuit education in Western New York. At the same time, it allows us to share some of the achievements of the past year.

It is an exciting time to be at Canisius. We were voted the "Best Private School in WNY" in The Buffalo News Best in 716 issue and named to the Advanced Placement Honor Roll at the Platinum level by the College Board. The AP distinction is one only earned by 6% of eligible high schools across the United States and Canada, while CHS was the lone boys school in Western New York to achieve Platinum or Gold status.

With exceptional campus ministry retreats and service programs, along with our always-expanding campus, there are countless new and exciting opportunities for our students. Our freshly branded Center for Excellence, the newly dedicated Coppola Family Field and the JV baseball field next to it, as well as the soon-to-be-opened Madden Center for Global Learning, join a lineup that includes the top-of-the-line Kennedy Field House, historic Scaccia Auditorium, unmatched Center for the Arts and our robust robotics arena and makerspace lab.

While our programs and facilities are outstanding, it is our people – the faculty and staff – who make Canisius exceptional. As we use our God-given talents, teach or

work in various offices, when the curtain goes up and our students see us in action, we reveal a great deal about who we are – who God is – and who we are as a school community. We are not simply math or history teachers, coaches or administrators, trustees or benefactors – rather, people who are here to help our students to be formed into men the world needs.

We are here to form men of integrity – men of faith and conscience, who are intellectually ambitious, confident, compassionate and other-centered. Then, at the end of their time with us, we send them out, mission them, to be God's own presence in the world. This is our mission. What an extraordinary privilege it is to have this mission – and what a tremendous responsibility.

My friends, on behalf of the faculty and staff, and most importantly our students, I thank you for all you have done and will do to support Canisius. It is not possible for us to do what we do without you. You are faithful partners and companions in mission – a mission to change the world one mind, one heart, one student at a time. Together, we will change the world for good.

## FROM THE **PRINCIPAL'S OFFICE**

I would like to take this opportunity to thank our parents, students, alumni, faculty, staff and administration for their support, encouragement, and hard work. At their core, schools are a partnership. And it was because of our great partnership that I can look back on my first year as principal as both a blessing and a success. So thank you.

I have had the good fortune of being here at Canisius High School essentially since I was 14. My first year as principal was an extension of an ongoing journey. It was both familiar and different. I have worked at Canisius in many capacities, but I was energized by being principal and serving our community in a whole new way.

And what a community we have. I am often asked "What sets Canisius apart from other schools?" or "What makes our school so special?" I firmly believe it is because we grow our students into resilient and empathetic young men – two qualities desperately needed these days. We teach and model grit and perseverance, we teach them to care beyond themselves, we model love and respect for each other and for those around us. You can find academic rigor and athletic opportunities in other schools (maybe not the rigor and athletics available here at 1180 Delaware, but some version!), but our special way of teaching empathy and resilience is what makes Canisius High School so singular. This is our commitment to our families, and it is an integral part of our mission.

It is not just the students who need and practice this empathy and resilience. I needed it in abundance in my first year as principal – both personally and professionally.

We see it in our faculty and staff each day. So much of the magic that happens here at Canisius happens beyond the bell. Our staff thrives by connecting with students not just inside the classroom, but outside of it – leading retreats, planning and executing Christian service projects, chaperoning immersion trips, coaching our student-athletes, tutoring before and after school hours, moderating clubs. In so many ways, our adults act as sounding boards for our young men who are in the process of becoming themselves, and becoming the good men our world needs.

Thank you for a wonderful first year as principal. I am honored to be in this position and to partner with this community, and I am excited for the year ahead.

Go Bills!

Gratefully,

*Thomas D. Coppola*

## CLASS OF '88 HONORS ITS FALLEN CLASSMATES

Memorial fund created to reflect  
on commitment to serving others  
**BY ANDY DEYELL '91**

It had been 35 years since the Class of 1988 graduated from Canisius High School, and as various class leaders began planning the reunion activities around Alumni Weekend 2023, there was great excitement at the thought of getting together again. The active and close Class of '88 group has always had tremendous turnouts for their events.

"We were pretty tight-knit back in the day," said **Ian Harrington '88**, who has become somewhat of a de facto organizer of the class.

"There are still 35-40 local guys who keep in touch on a regular basis. Throughout the year we get together."

There was also a strong desire from the members of the Class of '88 to honor their fallen classmates.

Since graduating 35 years ago, they have lost nine classmates: **Eric Becker '88**, **Greg Beecher '88**, **Timothy Dundon '88**, **Christopher Hartnett '88**, **Christopher Herbert '88**, **Jonathan Litwin '88**, **Michael O'Leary '88**, **Mark Pleshkewych '88** and **Mark Rung '88**. Those members of the class who have passed are always on the minds of their surviving classmates.

When **Greg Michaelidis '88** heard that the Class of 1992 had raised money to endow a scholarship in honor of their deceased classmates last summer, he contacted Ian and

classmates **Don Leslie '88**, **Roy Bakos '88**, **Greg Gayle '88** and **Tom Nemeth '88** to organize and lead a scholarship drive with the goal of creating a Class of 1988 Memorial Fund in connection with their reunion. The group found their classmates eager to help.

"Our goal is for the Class of '88 Memorial Fund to reflect our collective commitment to the Canisius ideal of serving as 'Men for Others,'" Michaelidis wrote in a letter to the Class of 1988.

To endow a scholarship requires a minimum of \$50,000 to be raised and placed in the school's endowment. This corpus will create a \$2,500 scholarship each year and in perpetuity and will be awarded to a student at Canisius who needs financial support.

"Each of us has a story about what brought us to Canisius,

The Class of 1988 celebrated 35 years at the All Alumni Bash on Tripi Field during Alumni Weekend 2023.

with lasting memories and connections made during our time there," said Michaelidis. "It's powerful to know that, as a graduating class, we can forever help promising young men – for whom Canisius might otherwise be out of reach – build their own memories long after we're gone."

As of the time this article was being published, the class was just shy of its \$50,000 goal, which is remarkable given that they started fundraising in the weeks leading up to their June 2023 reunion. Class members say it is a testament to the lasting impact of the relationships formed at Canisius.

"It would mean a lot to a lot of guys to get this to the finish line," Harrington said. "At our age, we have more yesterdays than tomorrows. Canisius was a huge part of who we are and how we see the world. We appreciate these things a little more now, and we are happy to be in a position to help others."

## FINISHING THE JOB FOR JIM

Mark Morsheimer '77 kick-starts return of scholarship honoring James McHugh '78

BY ANDY DEYELL '91

The idea of being a Man for Others is one that is preached to and practiced by Canisius students early and often during their time at 1180 Delaware. It is an ethos that lasts a lifetime.

While sitting in a Starbucks in Maryland last fall enjoying coffee with alumnus **Mark Morsheimer '77** and discussing endowing a scholarship in his family's name, I was stopped in my tracks by his question: "Whatever happened to the Jim McHugh Scholarship? I used to give to that." I had to admit I didn't know the answer.

After doing a little research, I discovered that the **James McHugh '78 Scholarship** was a initiative that began in 2012 after Jim's untimely passing from a heart attack. Jim was the founder of Personal Touch Food Service, a company that was founded at Canisius in 1985 and run right out of offices on the second floor of the Rand Mansion at the school.

"Jim was a good man - a loyal alumnus who supported the school strongly in many ways," remembers our President Fr. David Ciancimino, S.J., who was a good friend of Jim and his wife Maureen (who sadly passed away from cancer before Jim in 2009).

"He grew his business right here at Canisius, and he had the school and its success in the forefront of his mind," Ciancimino said. "He was grateful for his education and for what Canisius had given him."

Jim was also a friend of Mark Morsheimer. For various reasons, the scholarship drive stalled short of the \$50,000 threshold needed to endow the scholarship.

**Mark Morsheimer '77**, left, and fellow classmates helped continue the legacy of a good friend by revitalizing the **James McHugh '78 Scholarship**.

The late **James McHugh '78** founded the Personal Touch Food Service company at CHS in 1985.

"Before I do anything for my family, I want to help endow the scholarship for Jim and his family. He was a great guy, very good to the school, and is worthy of having a scholarship in his name."

Those were the words Mark spoke to me when I shared with him the status of the McHugh Scholarship. So Mark wrote a letter that was sent to his classmates from the Classes of 1977, 1978 and 1979, asking them to join him in completing the mission to endow the James McHugh '78 Scholarship and to honor their friend.

His classmates answered the call. With the support of large matching gifts from both Mark and Dave Cervi (the current CEO of Personal Touch and another good friend of Jim), the classes quickly rallied to raise enough money to endow the scholarship, and the first James McHugh '78 Scholarship recipient will be identified in the spring of 2024.

I had the pleasure of calling Jim's children and siblings a few weeks back to tell them this wonderful story about an alumnus who decided to put a friend and classmate ahead of himself and his own family.

Not surprisingly, they were amazed and truly touched. Jim's brother William wrote to Canisius after learning of the success of the renewed scholarship drive.

"On behalf of my brother Jim's family, we are all very appreciative of the leadership shown by Mark Morsheimer and the executives and staff at Jim's company, Personal Touch, to conclude the scholarship endowment in his name. Jim loved Canisius High School and he would be very pleased to know that it will be a part of his expansive legacy."

## A TRIUMPH AFTER TRAGEDY

Tompkins family comes together to give students chance at immersion trips

In June of 2021, the Tompkins family and the Canisius High School community unexpectedly lost **William Michael Tompkins '16** to a tragic motorcycle accident.

William was a son, a grandson, a brother, a cousin, a nephew, an uncle, a friend, a teammate, a Crusader and so much more. He was bright, hard-working, dedicated, and a genuine role model for those fortunate enough to know him. He loved helping people. And suddenly, he was gone.

Through the incredible heartbreak and grief, William's mother DeeAnn and the family sought to make sure William's memory lived on at Canisius by raising money to endow a scholarship in his name that would help other young men in WNY have the same life-changing experiences at Canisius that William cherished. The William M. Tompkins '16 Scholarship Fund was created with a goal of raising \$50,000 so that the scholarship could be included in the school's endowment and help students at the school in perpetuity.

The family desired to create a scholarship fund to provide financial assistance for students from Western New York to attend Canisius' highly-regarded service immersion trips to local, national and international destinations. These trips had a huge impact on William, and they continue to have an impact on other young men at Canisius, inspiring them to change their community and their world for the better.

**William Michael Tompkins '16**

Through various fundraisers (such as a sold out concert at the Sportsmen Tavern headlined by DeeAnn, an accomplished and decorated singer, and a lift-a-thon at William's favorite gym), a story on WGRZ Channel 2 news reported by Pete Gallivan, and DeeAnn's sheer determination and love, William's story inspired the WNY community and the scholarship goal was quickly met and exceeded in just one year. The first student recipient of the fund, **James Sutton '24**, traveled to Puerto Rico on a service trip this past spring using the funds provided by scholarship.

DeeAnn and the Tompkins family hosted a celebration at the CHS Center for the Arts to thank donors and to honor both the scholarship and William. Community members who donated were invited to hear from both the Tompkins family as well as Sutton, who wrote a letter of gratitude. The letter, read by Vice President for Institutional Advancement **Andy Deyell '91**, detailed Sutton's experiences in Puerto Rico and thanked the family and scholarship supporters for providing a once-in-a-lifetime opportunity.

While there is nothing that can fully assuage the grief of losing a child in the prime of his life, the Tompkins family takes tremendous solace in knowing that there will always be a fund at Canisius High School bearing William's name that honors his commitment to helping others and helps the next generation of Crusaders live the mission of Canisius High School.

Check with your human resources department to see if your company participates in a matching gift program. Donors must initiate the matching gift process and are given credit for their original gift and any matching gift they secure!

### Planned, Estate Gifts

Donors may consider giving through such means as life insurance, bequests or charitable trusts. Gift planning can be a way to reduce or avoid tax estate and inheritance taxes. Please visit [www.canisiuslegacy.org](http://www.canisiuslegacy.org) for more information on making planned or estate gifts. Donors should always speak with their financial planner before considering any kind of planned or estate gift.

#### 'I'M SO THANKFUL FOR THESE MOMENTS WE'VE SPENT TOGETHER ... AS A FAMILY.'

During commencement, **Patrick Nettina '23**, a Buffalo native who is attending the University at Buffalo, delivered his Mr. Canisius speech. An excerpt:

"Canisius is a family.

"We have been through highs and lows together. We began our time adjusting to the uncertainty of high school. Of course, Covid made this uncertainty more ... uncertain. And, like family, we stuck together.

"We cheered each other on, whether it be sharing the joy of volleyball's 23rd championship in a row, or the heartbreak of the soccer team falling just short ... three times in a row. Like family, we were always proud of each other, no matter the outcome.

"We've shared deep conversations. We've brought each other to tears and laughter. We were always there for each other, and I am so proud to be a part of this class. Thank you, guys, for everything we've done together, because just as I love my own family, I love you."

## ALUMNI GIVING

**Donations are listed by each graduating class. A total of 1,645 alumni donors contributed this year. If the rest of our 8,000-plus alumni made a gift of just \$25, it would raise more than \$200,000 for CHS students and programs.**

## GAMBIT XLVIII

Campus was full of energy and generosity as more than 500 people attended GAMBIT XLVIII. Our signature auction fundraiser raised more than \$560,000. Included was the "Raise the Paddle" salute with proceeds going to the Fr. C Canisius Cares Fund, raising more than \$250,000 for students who encounter unexpected hardship during their time at Canisius.

### Save the date! GAMBIT XLIX is March 23, 2024

GAMBIT has been thriving for 48 years due to the generosity of parents, alumni and volunteers who donated their time, talents and treasure to this annual event.

Contact Kelly Wilkens P'21, our director of special events, via [gambit@canisiushigh.org](mailto:gambit@canisiushigh.org) to join the GAMBIT team via committee, office work or volunteering at the event of the year.

## LEAVE A CHARITABLE LEGACY AT CHS

A charitable bequest can make a difference for future generations of Crusaders while taking into account your wishes and values.

► A charitable bequest is a distribution from your estate to Canisius High School through your last will and testament.

► There are different kinds of charitable bequests with specific language to indicate the precise direction of your assets.

► A bequest to CHS made by will can have substantial estate tax savings, resulting in a larger inheritance for your heirs.

► As part of your overall estate planning, a charitable bequest can create a legacy for you and your family at Canisius High School.

For further information and to request "Planning Your Legacy," a guide to providing for your family and supporting Canisius High School, please visit [canisiuslegacy.org](http://canisiuslegacy.org) or contact Vice President for Institutional Advancement **Andy Deyell '91** at (716) 200-0265.
